ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

1. ENTITLED SHAREHOLDERS

In order to be eligible for the Rights Issue, a Shareholder must be an Entitled Shareholder, and not be a person to whom it is unlawful to send this Offer Information Statement or make an invitation under the Rights Issue.

All questions as to the eligibility of any person to participate in the Rights Issue, subscribe and/or apply for the Rights Shares and as to the validity, form and eligibility (including time of receipt) of any ARE, ARS or PAL are determined by the Company in its sole discretion. The Company's determination as to whether a person is an Eligible Shareholder and as to whether or when an ARE, ARS or PAL is received, whether it is duly completed or whether acceptance is validly revoked shall be final and binding.

Entitled Shareholders will be entitled to participate in the Rights Issue and to receive this Offer Information Statement together with the AREs or PALs, as the case may be, and other accompanying documents at their respective addresses in Singapore. Entitled Depositors who do not receive this Offer Information Statement and/or the AREs may obtain them from the CDP for the period up to the Closing Date. Entitled Scripholders who do not receive this Offer Information Statement and/or the PALs may obtain them from the Share Registrar during the period up to the Closing Date.

Entitled Shareholders will be provisionally allotted the Rights Shares under the Rights Issue on the basis of their shareholdings as at the Books Closure Date, fractional entitlements, if any being disregarded. Entitled Shareholders are at liberty to accept (in full or in part), decline, renounce or, in the case of the Entitled Depositors only, trade their provisional allotments of Rights Shares on the Catalist during the provisional allotment trading period prescribed by the SGX-ST, and will be eligible to apply for Excess Rights Shares under the Rights Issue. For the avoidance of doubt, only Entitled Shareholders (and not the Purchasers or the Renouncees) shall be entitled to apply for Excess Rights Shares under the Rights Issue.

All dealings in and transactions of the provisional allotments of the Rights Shares through the Catalist will be effected under the book-entry (scripless) settlement system. Accordingly, the PALs to be issued to Entitled Scripholders will not be valid for delivery pursuant to trades done on the Catalist.

Entitled Depositors should note that all correspondences, notices, and documents will be sent to their last registered addresses with the CDP. Entitled Depositors are reminded that any request to the CDP to update their records or to effect any change in address must reach the CDP at 9 North Buona Vista Drive, #01-19/20 The Metropolis, Singapore 138588, not later than 5.00 p.m. on the date being at least three (3) Market Days before the Books Closure Date.

Entitled Scripholders should note that all correspondence and notices will be sent to their latest mailing addresses with the Share Registrar. Entitled Scripholders are reminded that any request to the Company to update their records or effect any change in address must reach the Share Registrar at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623, not later than 5.00 p.m. on the date being at least three (3) Market Days before the Books Closure Date.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

Entitled Scripholders (where applicable) are encouraged to open Securities Accounts with the CDP if they have not already done so and to deposit their share certificates with the CDP prior to the Books Closure Date so that their Securities Accounts may be credited by the CDP with their Shares and the provisional allotments of Rights Shares. Entitled Scripholders should note that their Securities Accounts will only be credited with the Shares on the twelfth (12th) Market Day from the date of lodgement of the share certificates with the CDP or such later date as the CDP may determine.

Entitled Depositors who wish to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares may only do so through the CDP or by way of an Electronic Application through an ATM of a Participating Bank. Entitled Scripholders who wish to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares may only do so through the Share Registrar.

For Entitled Shareholders who hold Shares through finance companies or Depository Agents, acceptances and subscriptions of the Rights Shares and (if applicable) applications for Excess Rights Shares must be done through the respective finance companies or Depository Agents. Any acceptances and/or applications by such investors to accept the provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares made directly to the CDP, the Share Registrar, the Company or through the ATMs of the Participating Banks will be rejected

SRS Members who have subscribed for or purchased Shares under the SRS, subject to applicable SRS rules and regulations, they must use SRS Funds to pay for the acceptance of their provisional allotments of the Rights Shares and (if applicable) application for Excess Rights Shares.

SRS Members, who wish to accept their Rights Shares and (if applicable) apply for Excess Rights Shares using SRS Funds, must instruct the relevant SRS Approved Banks to accept their Rights Shares and (if applicable) apply for Excess Rights Shares on their behalf in accordance with this Offer Information Statement. Such Entitled Shareholders who have insufficient funds in their SRS accounts may, subject to the SRS contribution cap, deposit cash into their SRS accounts with their respective SRS Approved Banks before instructing their respective SRS Approved Banks to accept their Rights Shares and (if applicable) apply for Excess Rights Shares. SRS Members are advised to provide their respective SRS Approved Banks with the appropriate instructions no later than the deadlines set by their respective SRS Approved Banks in order for their respective SRS Approved Banks to make the relevant acceptance and (if applicable) application on their behalf by the Closing Date. **SRS Funds may not, however, be used for the purchase of the provisional allotments of the Rights Shares directly from the market. Any acceptance of the provisionally allotted Rights Shares and (if applicable) application for Excess Rights Shares directly to the CDP, the Share Registrar, and/or the Company, and/or Electronic Applications will be rejected.**

Fractional entitlements to the Rights Shares will be disregarded in arriving at the Entitled Shareholders' provisional allotments of Rights Shares and will, together with the provisional allotments of Rights Shares which are not taken up or allotted for any reason, be aggregated and allotted to satisfy Excess Applications for Rights Shares (if any), or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interest of the Company.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

In the allotment of Excess Rights Shares, preference will be given to Shareholders for rounding of odd lots, and Directors and Substantial Shareholders who have control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Rights Issue, or have representation (direct or through a nominee) on the Board of the Company will rank last in priority for the rounding of odd lots and allotment of Excess Rights Shares. The Company will also not make any allotment or issuance of any Excess Rights Shares that will result in a transfer of Controlling Interest in the Company unless otherwise approved by the Shareholders at a general meeting.

The procedures for, and the terms and conditions applicable to, acceptances, renunciation and/or sales of the provisional allotments of Rights Shares and for the applications for Excess Rights Shares, including the different modes of acceptance or application and payment, are contained in Appendices B to D of this Offer Information Statement and in the PAL, the ARE and the ARS.

2. FOREIGN SHAREHOLDERS

This Offer Information Statement and its accompanying documents relating to the Rights Issue have not been and will not be registered, filed or lodged in any jurisdiction other than in Singapore. The distribution of this Offer Information Statement and its accompanying documents may be prohibited or restricted (either absolutely or subject to various relevant securities requirements, whether legal or administrative, being complied with) in certain jurisdictions under the relevant securities laws of those jurisdictions.

For practical reasons and in order to avoid any violation of the securities legislation applicable in jurisdictions other than Singapore, the Rights Issue is only made in Singapore and this Offer Information Statement and its accompanying documents have not been and will not be despatched to Foreign Shareholders or into any jurisdiction outside Singapore.

Accordingly, Foreign Shareholders will not be entitled to participate in the Rights Issue. No provisional allotment of Rights Shares has been made to Foreign Shareholders and no purported acceptance of the provisional allotments of Rights Shares or Excess Applications by Foreign Shareholders will be valid.

Foreign Shareholders who wish to be eligible to participate in the Rights Issue should provide an address in Singapore for the service of notices and documents not later than 5.00 p.m. on the date being at least three (3) Market Days before the Books Closure Date, by notifying, as the case may be, (i) the CDP at 9 North Buona Vista Drive, #01-19/20 The Metropolis, Singapore 138588; or (ii) the Company, c/o Boardroom Corporate & Advisory Pte. Ltd. at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623.

This Offer Information Statement and its accompanying documents relating to the Rights Issue will also not be despatched to persons purchasing the provisional allotments of Rights Shares through the book-entry (scripless) settlement system if their registered addresses with the CDP are outside Singapore. Foreign Purchasers who wish to accept the provisional allotments of Rights Shares credited by the CDP to their Securities Accounts should make the necessary arrangements with their Depository Agents or stockbrokers in Singapore. Further, any Renouncee of an Entitled Scripholder, whose address as stated in the PAL is outside Singapore, will not be entitled to accept the provisional allotment of the Rights Shares renounced to him.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

The Company reserves the right, but shall not be obliged to, reject any acceptances of the provisional allotments of the Rights Shares and/or applications for Excess Rights Shares where it believes, or has reason to believe, that such acceptances and/or applications may violate the applicable legislation of any jurisdiction. The Company further reserves the right, but shall not be obliged to, to treat as invalid any PAL, ARE and ARS which (a) appears to the Company or its agents to have been executed in any jurisdiction outside Singapore which may violate the applicable legislation of such jurisdiction, (b) provides an address outside Singapore for the receipt of the share certificate(s) for the Rights Shares or which requires the Company to despatch the share certificate(s) to an address in any jurisdiction outside Singapore, or (c) purports to exclude any deemed representation or warranty required by the terms of this Offer Information Statement, the PAL, the ARE and the ARS.

It is the responsibility of any person (including, without limitation, custodians, nominees and trustees) outside Singapore wishing to take up their provisional allotment of Rights Shares or apply for Excess Rights Shares under the Rights Issue or to satisfy himself as to the full observance of the laws of any relevant territory in connection therewith, including the obtaining of any governmental or other consents which may be required, the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such territories. The comments set out in this section are intended as a general guide only and any Foreign Shareholder who is in doubt as to his position should consult his professional advisers without delay.

Receipt of this Offer Information Statement, a PAL, ARE or ARS, or the crediting of "nil-paid" Rights or Rights Shares to a Securities Account will not constitute an offer in those jurisdictions in which it would be illegal to make an offer and, in those circumstances, this Offer Information Statement and the PALs, AREs or ARSs must be treated as sent for information only and should not be copied or redistributed. No person receiving a copy of this Offer Information Statement, a PAL, ARE or ARS and/or a credit of provisional allotments of Rights Shares or Rights Shares to a Securities Account in any territory other than Singapore may treat the same as constituting an invitation or offer to him or her, nor should he or she in any event use any such PAL, ARE or ARS and/or accept any credit of provisional allotments of Rights Shares or Rights Shares to a Securities Account unless, in the relevant territory, such an invitation or offer could lawfully be made to him or her and such PAL, ARE or ARS and/or credit of provisional allotments of Rights Shares or Rights Shares to a Securities Account could lawfully be used or accepted, and any transaction resulting from such use or acceptance could be effected, without contravention of any registration or other legal or regulatory requirements.

Persons (including, without limitation, custodians, nominees and trustees) receiving a copy of this Offer Information Statement, and/or a PAL, ARE or ARS or whose Securities Account is credited with provisional allotments of Rights Shares should not distribute or send the same or transfer the provisional allotments of Rights Shares in or into any jurisdiction where to do so would or might contravene local securities laws or regulations. If this Offer Information Statement, a PAL, ARE or ARS or a credit of provisional allotments of Rights Shares is received by any person in any such territory, or by his agent or nominee, he must not seek to take up the provisional allotments of Rights Shares, and renounce such PAL, ARE or ARS or transfer the provisional allotments of Rights Shares unless the Company determines that such actions would not violate applicable legal or regulatory requirements. Any person (including, without limitation, custodians, nominees and trustees) who forwards this Offer Information Statement, or a PAL, ARE or ARS or transfers the provisional allotments of Rights Shares into any such territories (whether pursuant to a contractual or legal obligation or otherwise) should draw the recipient's attention to the contents of this Section as well as relevant sections of this Offer Information Statement.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

Depositors whose registered addresses with the CDP are not in Singapore and who wish to be eligible to participate in the Rights Issue should provide an address in Singapore for the service of notices and documents not later than 5.00 p.m. on the date being at least three (3) Market Days before the Books Closure Date by notifying the CDP at 9 North Buona Vista Drive, #01-19/20 The Metropolis, Singapore 138588.

If it is practicable to do so, arrangements may, at the discretion of the Company, be made for the provisional allotments of Rights Shares which would otherwise have been provisionally allotted to Foreign Shareholders to be sold “nil-paid” on the Catalist as soon as practicable, after dealings in the provisional allotments of Rights Shares commence. Such sales will, however, only be effected if the Company, in its absolute discretion, determines that a premium can be obtained from such sales, after taking into account expenses to be incurred in relation thereto.

The net proceeds from all such sales, after deduction of all expenses therefrom, will be pooled and thereafter distributed to Foreign Shareholders in proportion to their respective shareholdings or, as the case may be, the number of Shares entered against their names in the Depository Register as at the Books Closure Date and sent to them at their **own risk by ordinary post**, where the amount of net proceeds to be distributed to any single Foreign Shareholder is not less than S\$10.00. If the amount of net proceeds distributable to any single Foreign Shareholder is less than S\$10.00, the Company shall be entitled to retain or deal with such net proceeds as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Foreign Shareholder shall have any claim whatsoever against the Company, the Directors, the Sponsor, the Share Registrar, or the CDP and their respective officers in connection therewith.

Where such provisional allotments are sold “nil-paid” on the Catalist, they will be sold at such price or prices as the Company may, in its absolute discretion, decide and no Foreign Shareholder shall have any claim whatsoever against the Company, the Directors, the Sponsor, the Share Registrar or the CDP and their respective officers in respect of such sales or the proceeds thereof, the provisional allotments of Rights Shares or the Rights Shares represented by such provisional allotments.

If such provisional allotments of Rights Shares cannot be or are not sold on the Catalist as aforesaid for any reason by such time as the SGX-ST shall have declared to be the last day for trading in the provisional allotments of Rights Shares, the Rights Shares represented by such provisional allotments will be issued to satisfy Excess Applications, disposed of or dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Foreign Shareholder shall have any claim whatsoever against the Company, the Directors, the Sponsor, the Share Registrar, or the CDP and their respective officers in connection therewith.

Shareholders should note that the special arrangements described above will apply only to Foreign Shareholders. However, the Company reserves the right, but shall not be obliged, to make similar arrangements for the provisional allotments of Rights Shares which would otherwise have been provisionally allotted to certain Entitled Shareholders to be sold “nil-paid” on the Catalist as soon as practicable, after dealings in the provisional allotments of Rights Shares commence, where the beneficial holders of such provisional allotments of Rights Shares are restricted or prohibited by the laws of the jurisdiction in which they are located or resident from participating in the Rights Issue.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

Notwithstanding the above, Entitled Shareholders and any other person having possession of this Offer Information Statement and its accompanying documents are advised to inform themselves of and to observe all legal requirements applicable thereto at their own expense and without liability to the Company, the Sponsor, or any other person involved in the Rights Issue. No person in any jurisdiction outside Singapore receiving this Offer Information Statement and/or its accompanying documents may treat the same as an offer, invitation or solicitation to subscribe for any Rights Shares unless such offer, invitation or solicitation could lawfully be made without violating any regulation or legal requirements in such jurisdiction. In circumstances where an invitation or offer would contravene any registration or other legal or regulatory requirements, this Offer Information Statement, the PAL, the ARE and the ARS must be treated as sent for information only and should not be copied or redistributed.

This Offer Information Statement and/or its accompanying documents are not intended for distribution outside of Singapore.

TRADING

1. LISTING AND QUOTATION OF THE RIGHTS SHARES

On 21 March 2019, the Company obtained the approval in-principle from the SGX-ST for the listing of and quotation for the Rights Shares on the Catalist, subject to, *inter alia*, compliance with the SGX-ST's listing requirements. The approval in-principle granted by the SGX-ST is in no way reflective of and is not to be taken as an indication of the merits of the Rights Issue, the Right Shares, the Company, its subsidiaries, and/or their securities.

The Rights Shares will be admitted to Catalist and official quotation will commence after all conditions imposed by the SGX-ST are satisfied, the certificates relating thereto have been issued and the allotment letters from CDP have been despatched. Upon listing and quotation on Catalist, the Rights Shares, when allotted and issued, will be traded under the book-entry (scripless) settlement system. For the purposes of trading on the Catalist, each board lot of Shares will comprise 100 Shares. All dealings in and transactions (including transfers) of the Rights Shares effected through the Catalist and/or the CDP shall be made in accordance with the "**Terms and Conditions for Operation of Securities Accounts with The Central Depository (Pte) Limited**", as the same may be amended from time to time. Copies of the above are available from the CDP.

2. ARRANGEMENTS FOR SCRIPLESS TRADING

To facilitate scripless trading, Entitled Scripholders and their Renounees who wish to accept the Rights Shares provisionally allotted to them and (if applicable) apply for Excess Rights Shares, and who wish to trade the Rights Shares issued to them on the Catalist under the book-entry (scripless) settlement system, should open and maintain Securities Accounts with the CDP in their own names (if they do not already maintain such Securities Accounts) before accepting any Rights Shares or applying for any Excess Rights Shares, in order that the number of Rights Shares and, if applicable, the Excess Rights Shares that may be allotted to them may be credited by the CDP into their Securities Accounts.

Entitled Scripholders and their Renounees who wish to accept and (if applicable) apply for the Excess Rights Shares and have their Rights Shares credited into their Securities Accounts must fill in their Securities Account numbers and/or National Registration Identity Card ("**NRIC**")/passport numbers (for individuals) or registration numbers (for corporations) in the relevant forms comprised in the PAL, in order for the number of Rights Shares or Excess Rights Shares (as the case may be) that are allotted to them to be credited into their Securities Accounts.

Entitled Scripholders and their Renounees who fail to fill in their Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or who provide incorrect or invalid Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or whose particulars provided in the forms comprised in the PAL differ from those particulars in their Securities Accounts currently maintained with the CDP, will be issued physical share certificates in their own names for the Rights Shares and if applicable, the Excess Rights Shares allotted to them. Such physical share certificates, if issued, will be forwarded to them by **ordinary post at their own risk**, but will not be valid for delivery pursuant to trades done on the Catalist under the book-entry (scripless) settlement system, although they will continue to be *prima facie* evidence of legal title.

TRADING

If an Entitled Scripholder's address stated in the PAL is different from his address registered with the CDP, he must inform the CDP of his updated address promptly, failing which the notification letter on successful allotment and other correspondence will be sent to his address last registered with the CDP.

A holder of physical share certificate(s) or an Entitled Scripholder who has not deposited his share certificate(s) with the CDP but wishes to trade on the Catalist, must deposit his share certificate(s) with the CDP, together with the duly executed instrument(s) of transfer in favour of the CDP (including any applicable fees) and have his Securities Account credited with the number of Rights Shares or existing Shares, as the case may be, before he can effect the desired trade.

3. TRADING OF PROVISIONAL ALLOTMENT OF RIGHTS SHARES

Entitled Depositors should note that the "nil-paid" Rights will be tradable in board lots, each board lot comprising provisional allotments of 100 Rights Shares, or any other board lot size as the SGXST may require. Entitled Depositors who wish to trade in lot sizes other than board lots of 100 can do so on the Unit Share Market.

Entitled Depositors who wish to trade all or part of their provisional allotments of Rights Shares on the Catalist can do so for the period commencing on 29 April 2019 from 9.00 a.m., being the date and time of commencement of the "nil-paid" rights trading period, and ending on 8 May 2019 at 5.00 p.m. (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company), being the last date and time of the "nil-paid" Rights trading period.

4. TRADING OF ODD LOTS

Entitled Shareholders should note that the Rights Issue may result in them holding odd lots of Shares (that is, lots other than board lots of 100 Shares).

Following the Rights Issue, Entitled Shareholders who hold odd lots of Shares and who wish to trade in odd lots of Shares on the Catalist should note that they will be able to do so on the Unit Share Market of the SGX-ST which allows trading of odd lots with a minimum of one (1) Share. The market for trading of such odd lots of Shares may be illiquid.

Shareholders who hold odd lots of the Rights Shares (i.e. less than 100 Shares) and who wish to trade in odd lots on the Catalist should note that there is no assurance that they can acquire such number of Shares to make up one (1) board lot of 100 Shares respectively, or to dispose of their odd lots (whether in part or in whole) on the Unit Share Market.

5. TRADING OF SHARES OF COMPANIES LISTED ON CATALIST

Companies listed on Catalist may carry higher investment risk when compared with larger or more established companies listed on the Main board of the SGX-ST. In particular, companies may list on Catalist without a track record of profitability and there is no assurance that there will be a liquid market in the securities traded on Catalist. A prospective investor should be aware of the risks of investing in such companies and should make the decision to invest only after careful consideration and, if appropriate, consultation with an independent financial adviser.

CAUTIONARY NOTE ON FORWARD-LOOKING STATEMENTS

All statements contained in this Offer Information Statement, statements made in public announcements, press releases and oral statements that may be made by the Company or its officers, Directors or employees acting on its behalf, that are not statements of historical fact, constitute “forward-looking statements”. Some of these statements can be identified by words that have a bias towards the future or are forward-looking, such as, without limitation, “anticipate”, “believe”, “could”, “estimate”, “expect”, “forecast”, “if”, “intend”, “may”, “plan”, “possible”, “probable”, “project”, “should”, “will” and “would” or other similar words. However, these words are not the exclusive or exhaustive means of identifying forward-looking statements. All statements regarding the Group’s expected financial position and performance, operating results, business strategies, future plans and prospects are forward-looking statements. These forward-looking statements, including but not limited to statements as to the Group’s revenue and profitability, prospects, future plans or analysis or comments on historical financial performance or position and other matters discussed in this Offer Information Statement regarding matters that are not historical facts, are only predictions. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Group’s actual results, performance or achievements to be materially different from any future results, performance or achievements expected, expressed or implied by such forward-looking statements.

Given the risks, uncertainties and other factors that may cause the Group’s actual future results, performance or achievements to be materially different from that expected, expressed or implied by the forward-looking statements in this Offer Information Statement, undue reliance must not be placed on these statements. The Group’s actual results, performance or achievements may differ materially from those anticipated in these forward-looking statements. Neither the Company, the Sponsor, nor any other person represents or warrants that the Group’s actual future results, performance or achievements will be as expected, expressed or implied in those statements.

Further, the Company and its Directors, officers, executives and employees, and the Sponsor disclaim any responsibility to update any of those forward-looking statements or publicly announce any revisions to those forward-looking statements to reflect future developments, events or circumstances for any reason, even if new information becomes available or other events occur in the future.

However, in the event that the Company becomes aware of new developments, events or circumstances that have arisen after the lodgement of this Offer Information Statement with the SGX-ST, acting as agent on behalf of the Authority, but before the Closing Date of the Rights Issue, and that is materially adverse from the point of view of an investor of the Shares and/or the Rights Shares or are required to be disclosed by law and/or the SGX-ST, the Company may make an announcement of the same via SGXNET and, if required, lodge a supplementary or replacement document with the with the SGX-ST, acting as agent on behalf of the Authority.

The Company is also subject to the provisions of the Catalist Rules regarding corporate disclosure.

TAKE-OVER LIMITS

The Take-over Code regulates the acquisition of ordinary shares of, *inter alia*, public listed companies, including the Company. Except exempted with the consent of the Council, where:

- (i) any person acquires whether by a series of transactions over a period of time or not, shares which (taken together with shares held or acquired by persons acting in concert with him) carry 30% or more of the voting rights of the Company; or
- (ii) any person who, together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights in the Company and such person, or any person acting in concert with him, acquires in any period of six (6) months additional shares carrying more than 1% of the voting rights,

such person must extend a mandatory take-over offer immediately for the remaining Shares in the Company in accordance with the provisions of the Take-over Code. In addition to such person, each of the principal members of the group of persons acting in concert with him may, according to the circumstances of the case, have the obligation to extend an offer.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory general offer under the Take-over Code as a result of any acquisition of Rights Shares pursuant to the Rights Issue or the acceptance of the provisional allotment of Rights Shares or the application for Excess Rights Shares, should consult the Council and/or their professional advisers immediately.

Depending on the level of subscription for the Rights Shares, the Company may, if necessary and upon the approval of the Sponsor and/or the SGX-ST, scale down the Rights Shares subscribed by any Shareholder to the extent necessary to avoid placing such Shareholder and parties acting in concert with him (as defined under the Code) in the position of incurring an obligation to make a mandatory general offer for the Shares under the Code as a result of other Shareholders not taking up, whether partly or in full, their provisional allotments of the Rights Shares.

PART 4 – KEY INFORMATION

USE OF PROCEEDS FROM OFFER AND EXPENSES INCURRED

- 1. In the same section, provide the information set out in paragraphs 2 to 7 of this Part.**
-

Please refer to paragraphs 2 to 7 below of this Part 4.

- 2. Disclose the estimated amount of the proceeds from the offer (net of the estimated amount of expenses incurred in connection with the offer) (called in this paragraph and paragraph 3 of this Part the net proceeds). Where only a part of the net proceeds will go to the relevant entity, indicate the amount of the net proceeds that will be raised by the relevant entity. If none of the proceeds will go to the relevant entity, provide a statement of that fact.**
-

Assuming full subscription of the Rights Issue, the estimated Net Proceeds will be approximately S\$4,320,000 after deducting estimated professionals' fees and related expenses incurred in connection with the Rights Issue of approximately S\$130,000.

As the Rights Issue is non-underwritten and there are no undertakings by any Shareholder to subscribe for the Rights Shares, there will be no proceeds from the Rights Issue if none of the Rights Shares are subscribed for.

All the Net Proceeds will go to the Company.

- 3. Disclose how the net proceeds raised by the relevant entity from the offer will be allocated to each principal intended use. If the anticipated proceeds will not be sufficient to fund all of the intended uses, disclose the order of priority of such uses, as well as the amount and sources of other funds needed. Disclose also how the proceeds will be used pending their eventual utilisation for the proposed uses. Where specific uses are not known for any portion of the proceeds, disclose the general uses for which the proceeds are proposed to be applied. Where the offer is not fully underwritten on a firm commitment basis, state the minimum amount which, in the reasonable opinion of the directors or equivalent persons of the relevant entity, must be raised by the offer of securities or securities-based derivatives contracts.**
-

The Rights Issue has been proposed by the Company for the following reasons:

- (a) **Partial capital contribution to Fujian Zixin Biological Potato Co., Ltd. ("Fujian Zixin")** (the "**Partial Capital Contribution**"). Fujian Zixin is a company incorporated in Liancheng County, Longyan, Fujian Province, People's Republic of China ("**PRC**"), and is a wholly-owned subsidiary of Zixin International Pte. Ltd ("**Zixin International**"). Zixin International is, in turn, a company incorporated in Singapore and the Company's wholly-owned subsidiary.

SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Fujian Zixin was incorporated on 6 July 2009 and is a wholly foreign-owned entity. As at the Latest Practicable Date, the total registered capital of Fujian Zixin is RMB80,000,000 (approximately S\$16,000,000 based on the Illustrative Exchange Rate⁽¹⁾) and an unpaid share capital of approximately RMB42,700,000 (approximately S\$8,250,000 based on the Illustrative Exchange Rate) remains outstanding (the “**Unpaid Share Capital**”). As at the Latest Practicable Date, an aggregate of approximately RMB37,300,000 (S\$7,750,000) has been contributed to Fujian Zixin (in Singapore dollars) as partial satisfaction of the registered capital. Nevertheless, the Unpaid Share Capital outstanding as at the Latest Practicable Date remains significant, representing approximately 53.38%⁽²⁾ of Fujian Zixin’s total registered capital.

Notes:

- (1) The “**Illustrative Exchange Rate**” used in this OIS is S\$1:RMB5. The Illustrative Exchange Rate is solely for illustrative purposes and should not be construed as a representation that the relevant amounts have been or could be converted at this rate or any other rate.
- (2) Based on the total registered capital of RMB80,000,000 and the Unpaid Share Capital of approximately RMB42,700,000.

Whilst Fujian Zixin has obtained an extension to the deadline for satisfying the Unpaid Share Capital to 10 June 2024, a significant proportion of Unpaid Share Capital remains outstanding. The Board is of the view that it would be in the Company’s best interest to ensure that the Unpaid Share Capital is paid up in smaller instalments over a period of time rather than to seek a large capital funding for the same at a later time.

Should the Unpaid Share Capital not be satisfied in accordance with the deadline set in the Fujian Zixin’s Articles of Association, the Industry and Commerce Bureau of the PRC has the right to demand satisfaction of the Unpaid Share Capital by the Company and additional fines may be levied.⁽¹⁾ Furthermore, should Fujian Zixin be unable to pay its debts timely, its creditors would be entitled to make a claim in the local courts requiring the shareholder who has not fulfilled or fully fulfilled its capital contribution obligation to bear additional liabilities, to the extent of the principal and interest of the capital not contributed by it, for compensating the debts of the company that are unable to be repaid.⁽²⁾ If either of the abovementioned scenarios materialise, it would negatively impact the reputation or business operations of Fujian Zixin. Consequently, the financial health and operations of Group and the Company would be adversely affected as Fujian Zixin generates a significant proportion of the Group’s income and revenue.

Notes:

- (1) Pursuant to Article 199 of the Company Law (of the PRC).
- (2) Pursuant to Article 13 of Provisions of the Supreme People’s Court on Several Issues concerning the Application of the Company Law (III) (of the PRC).

Further, Fujian Zixin was previously granted certain land use rights by the Land and Resource Bureau of Liancheng County in September 2014 (the “**Land Use Rights**”). The Land Use Rights were granted the basis of, *inter alia*, representations made to the relevant authorities regarding Fujian Zixin’s registered capital and the Group’s commitment towards satisfying such registered capital. Therefore, the Board is of the view that it would be inappropriate for Fujian Zixin to undergo a reduction of share capital and the Company should honour its commitment towards satisfying Fujian Zixin’s registered capital so that the relationship between Fujian Zixin and the relevant authorities would not be adversely affected.

**SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES
(OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED
DERIVATIVES CONTRACTS) REGULATIONS 2018**

While Fujian Zixin has existing internal cash resources, the Board understands that the local authorities in the PRC would not look favourably on an arrangement where dividends declared by Fujian Zixin are subsequently utilised to satisfy the Unpaid Share Capital. This would be akin to depleting existing monies already in the account of Fujian Zixin and using such monies to satisfy the Unpaid Share Capital instead of injecting fresh capital into Fujian Zixin.

Having considered the above, the Board is of the view that it would be timely to proceed with the Partial Capital Contribution using the proportion of Net Proceeds as set out in the table below.

Whilst the Board has considered other methods of fundraising on the capital market (e.g. through private placements), the Board ultimately decided to conduct a Rights Issue as it is of the view that a Rights issue could enable all Shareholders to participate in and benefit from the future development of the Group. In contrast, alternative methods of fundraising (e.g. private placements) may only benefit particular subscribers or placees.

The Partial Capital Contribution will ultimately be used by Fujian Zixin for the purposes of general working capital including, *inter alia*, funding the salaries of its employees, administrative expenses and other operating expenses; and

- (b) **Working capital for the Company**, including, *inter alia*, funding the salaries of its employees, administrative expenses, other operating expenses and other future expansions which the Board deems to be in the interests of the Company and the Group.

Further, the Rights Issue has also been proposed by the Company as part of its ongoing and prudent balance sheet management to strengthen its financial position, enlarge its capital base and further enhance the financial flexibility of the Group, and to provide existing Shareholders who are confident of the future prospects of the Group with an opportunity to subscribe for additional Shares.

For illustrative purposes only, the following table is an estimate of the proportions of how the Company intends to use the Net Proceeds:

Use of Net Proceeds	Allocation of the Net Proceeds (S\$)	Approximate Allocation of the Net Proceeds (%)
Partial Capital Contribution	3,500,000	81.0
Working capital for the Company	820,000	19.0
Total	4,320,000	100.0%

Pending the deployment of the Net Proceeds for the uses identified above, such proceeds may be deposited with banks and/or financial institutions, invested in short-term money market instruments and/or marketable securities, or used for any other purposes on a short-term basis as the Directors may, in their absolute discretion, deem appropriate in the interests of the Group.

**SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES
(OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED
DERIVATIVES CONTRACTS) REGULATIONS 2018**

The Company will make periodic announcements on the utilisation of the Net Proceeds as and when such proceeds are materially disbursed and whether such disbursements are in accordance with the use of proceeds as stated in the Offer Information Statement, and further provide a status report on the use of the proceeds raised in its interim and full-year financial statements issued pursuant to Rule 705 of the Catalist Rules and in its annual report(s). Where the proceeds have been used for general and/or working capital purposes, the Company will also provide a breakdown with specific details on the use of the Net Proceeds in the announcements and status reports. Where there is a material deviation in the use of the Net Proceeds, the Company will also state the reasons for such deviation.

The Directors are of the reasonable opinion that there is no minimum amount to be raised from the Rights Issue. In the event that the Company is unable to raise sufficient funds, the Company will source for alternative sources of funding, including but not limited to raising capital from through private placements.

For the purposes of Rule 814(1)(e) of the Catalist Rules, the Directors are of the opinion that, barring any unforeseen circumstances:

- (i) after taking into consideration the present bank facilities, the working capital available to the Group is sufficient to meet its present requirements; and
- (ii) notwithstanding (i) above, the Company is undertaking the proposed Rights Issue based on the potential Net Proceeds to be raised for the reasons stated in 3(a) and 3(b).

The Directors confirm that the proceeds from the proposed Rights Issue will be utilised in accordance with the table above.

4. For each dollar of the proceeds from the offer that will be raised by the relevant entity, state the estimated amount that will be allocated to each principal intended use and the estimated amount that will be used to pay for expenses incurred in connection with the offer.

Based on the intended uses of Net Proceeds as set out in paragraph 3 of this Part 4 and assuming the Rights Issue is fully subscribed, for each dollar of the gross proceeds from the Rights Issue, the estimated amount that will be allocated for the intended uses and the estimated amount that will be used to pay for expenses incurred in connection with the Rights Issue are as follows:

Use of gross proceeds from the Rights Issue	Estimated amount that will be allocated for each dollar of gross proceeds raised
Partial Capital Contribution	S\$0.79
Working capital for the Company	S\$0.18
Estimated costs and expenses	S\$0.03

**SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES
(OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED
DERIVATIVES CONTRACTS) REGULATIONS 2018**

5. **If any material part of the proceeds to be raised by the relevant entity will be used, directly or indirectly, to acquire or refinance the acquisition of any asset, business or entity, briefly describe the asset, business or entity and state its purchase price. Provide information on the status of the acquisition and the estimated completion date. Where funds have already been expended for the acquisition, state the amount that has been paid by the relevant entity, or, if the relevant entity is the holding company or holding entity of a group, the amount that has been paid by the relevant entity or any other entity in the group as at the latest practicable date. If the asset, business or entity has been or will be acquired from an interested person of the relevant entity, identify the interested person and state how the cost to the relevant entity is or will be determined and whether the acquisition is on an arm's length basis.**
-

Not applicable. As at the Latest Practicable Date, the Company has no intention to use the Net Proceeds, directly or indirectly, to acquire or refinance the acquisition of any asset, business or entity. Nevertheless, in the event that, an opportunity arises for the Company to require any specific business which the Directors deem to be in the interest of the Company to acquire, the Company may, subject to approval of Shareholders being obtained if required by the Catalist Rules, utilise part of the Net Proceeds to finance such acquisition.

6. **If any material part of the proceeds to be raised by the relevant entity will be used to discharge, reduce or retire the indebtedness of the relevant entity or, if the relevant entity is the holding company or holding entity of a group, of the group, describe the maturity of such indebtedness and, for indebtedness incurred within the past year, the uses to which the proceeds giving rise to such indebtedness were put.**
-

Not applicable. As at the Latest Practicable Date, the Company has no intention to use any material part of the Net Proceeds to discharge, reduce or retire the indebtedness of the Company or the Group.

7. **In the section containing the information mentioned in paragraphs 2 to 6 of this Part or in an adjoining section, disclose the amount of discount or commission agreed upon between the underwriters, or other placement or selling agents in relation to the offer, and the person making the offer. If it is not possible to state the amount of discount or commission, the method by which it is to be determined must be explained.**
-

Not applicable as the Rights Issue is not underwritten and no underwriters, placement or selling agents have been appointed in relation to the Rights Issue.

**SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES
(OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED
DERIVATIVES CONTRACTS) REGULATIONS 2018**

Save as disclosed below and in this Offer Information Statement, the Directors are not aware of any significant factor, including any unusual or infrequent event or new development which materially affected profit or loss before tax of the Group.

A summary of the operations, business and financial performance of the Group is set out below:

3QFY2019 vs 3QFY2018

The increase in revenue of approximately RMB21.0 million or 22.8% was mainly attributable to the increase in sales from candies and crisps as a result of better market penetration from the increased effort in higher in-house production volume.

Interest income increased by approximately RMB0.3 million mainly due to unwinding amount of the finance income which arose from the discounting of five annual repayments for the transfer of leased farmland by the Group to a sweet potato supplier, and other income of RMB0.2 million in 3Q2019 was derived from rental income generated from an old factory.

Administrative expenses decreased by RMB0.75 million or 7.9% mainly due to decrease in ad-hoc research and development costs for new products, and income tax expense increased by 100.0% to RMB2.9 million in 3Q2019. This increase in income tax expense was due to improved profits of the Group in 3QFY2019 when compared to losses in 3Q2018.

Overall, compared to 3QFY2018, the Group reported an increase in gross profit by approximately RMB5.4 million or 21.7% on the back of the increase in revenue. Gross profit margin slightly decreased from 27.1% in 3Q2019 to 27.3% in 3Q2018 mainly attributable to the sales mix in the product categories which commanded different profit margins.

FY2018 vs FY2017

The decrease in revenue of approximately 43.6% in FY2018 over the corresponding year was predominately due to the Group's Zilaohu factory only having commenced its production in mid-September 2017 (the "**Production Resumption**") after a halt in the Group's production activities since April 2017.

Related interest and other income saw a decrease in FY2018 when compared with FY2017.

Total expenses for FY2018 decreased by approximately 67.1% to RMB47.1 million and this was primarily due to the following factors:

- (a) marketing and distribution costs decreased by RMB62.2 million or 80.5% due primarily to decreases in delivery charges of RMB18.9 million, publicity expense of RMB1.8 million, advertisement costs of RMB39.3 million and sales personnel salaries and bonuses of RMB1.8 million. Such decreases in marketing and distribution costs were mainly due to a change in the channel management strategy and minimal advertisement spending in FY2018;

**SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES
(OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED
DERIVATIVES CONTRACTS) REGULATIONS 2018**

- (b) administrative expenses decreased by RMB6.2 million or 16.5% mainly due to the absence of the retrenchment fee of RMB6.5 million which incurred in FY2017 as a result of the closure of two of the Group's factories, decreased in administrative staff salaries by RMB0.7 million and utilities expenses of RMB0.7 million; and
- (c) other operating expenses decreased by RMB14.4 million or 98.8% and this was primarily due to the absence of following: loss on disposal of property, plant and equipment of RMB5.6 million in FY2017, write-off of obsolete packaging materials of RMB2.5 million and additional expenses of RMB4.2 million relating to value-added tax on promotional sales items that are not claimable in FY2017.

Overall, compared to FY2017, the Group reported a lower profit for FY2018 and this was predominately due to (i) lower sale prices resulting from a change in channel management strategy, which corresponds to lower outbound freight charges as most distributors have now absorbed such expenses for the Group (see further analysis in item (a) in this paragraph above); and (ii) higher cost of sales as the Group had subcontracted the bulk of its production during the Production Resumption so as to catch up on the revenue loss whilst the Zilaohu factory restores to its normal production level.

FY2017 vs FY2016

The decrease in revenue of approximately 16.6% in FY2017 over the corresponding year was predominately due to a decrease in sales from baked goods, pastries, roasted sweet potato nuts, preserved foods and crisps as a result of the closure of two of the Group's factories since the end of January 2017 following the local government general directive to tighten the pollution control requirements (the "**Factories Closure**").

Related interest and other income saw a decrease in FY2017 when compared with FY2016.

Total expenses for FY2017 decreased by approximately 70.7% to RMB140.2 million and this was primarily due to the following factors:

- (a) marketing and distribution costs increased by RMB21.3 million or 38.2% due primarily to an increase in advertisement costs of RMB33.3 million, partially offset by the decrease in indirect sales promotional expenses, delivery charges and sales personnel salaries and bonuses which were in line with the decrease in revenue. Notwithstanding the production halt at the new factory as announced on 11 May 2017, the Group felt that an increase in advertisement activities was in line with its marketing strategy to continue promoting brand awareness so as to increase its' market share in an increasingly competitive market;
- (b) other losses totalled RMB12.3 million in FY2017 compared with RM2.9 million in FY2016. It comprised mainly a loss on disposal of property, plant and equipment of RMB5.6 million, write-off of obsolete packaging materials of RMB2.5 million and additional expenses of RMB4.2 million relating to value-added tax on promotional sales items that are not claimable; and
- (c) other expenses of RMB70.6 million in FY2016 comprised goodwill written off and reverse takeover expenses of RMB36.7 million and RMB33.9 million respectively. These other expenses did not recur in FY2017.

Overall, compared to FY2016, the Group reported a lower gross profit for FY2017 and this was predominately due to the decrease in revenue. Gross profit margin also decreased predominantly as a result of direct sales promotional activities in FY2017.

3QFY2019

Business and financial prospects

If the securities or securities-based derivatives contracts are to be offered through the selling efforts of any broker or dealer, describe the plan of distribution and the terms of any agreement or understanding with such entities. If known, identify each broker or dealer that will participate in the offer and state the amount to be offered through each broker or dealer.

The Rights Issue will be made on a renounceable non-underwritten basis by the Company to Entitled Shareholders, with up to 296,909,050 Rights Shares to be issued at the Issue Price, on the basis of one (1) Rights Share for every one (1) Existing Share of the Company, held by the Shareholders as at the Books Closure Date at the Issue Price, fractional entitlements to be disregarded.

The Rights Shares are payable in full upon acceptance and/or application, and upon allotment and issue, will rank *pari passu* in all respects with the then existing Shares for any dividends, rights, allotments or other distributions, the Record Date for which falls on or after the date of issue of the Rights Shares.

Entitled Shareholders will be at liberty to accept, decline, renounce (in full or in part) or in the case of Entitled Depositors only, trade on Catalist (during the provisional allotment trading period prescribed by the SGX-ST) their provisional allotments of the Rights Shares and are eligible to apply for additional Rights Shares in excess of their provisional allotments of Rights Shares under the Rights Issue. Entitled Depositors who wish to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares may only do so through CDP or by way of an Electronic Application (as may be applicable).

(OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED

Fractional entitlements to the Rights Shares will be disregarded in arriving at Entitled Shareholders' entitlements and will, together with the provisional allotments of Rights Shares which are not taken up or allotted for any reason, be aggregated and used to satisfy Excess Applications for Rights Shares (if any), or disposed of or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit for the benefit of the Company.

In the allotment of Excess Rights Shares, preference will be given to Entitled Shareholders for rounding of odd lots, and Directors and Substantial Shareholders who have control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Rights Issue, or have representation (direct or through a nominee) on the Board of the Company will rank last in priority for the rounding of odd lots and allotment of Excess Rights Shares. The Company will also not make any allotment or issuance of any Excess Rights Shares that will result in a transfer of Controlling Interest in the Company unless otherwise approved by the Shareholders at a general meeting.

The Rights Issue will not be underwritten. In view of the savings in costs by the Company as a result of not having to pay any underwriting fees and commission, the Company has decided to proceed with the Rights Issue without having the Rights Issue being underwritten by any financial institution. In addition, as the Directors are of the opinion that as there is no minimum amount to be raised from the Rights Issue, it would be more cost efficient to proceed on a non-underwritten basis.

In order to avoid any violation of the securities legislation applicable in countries other than Singapore, only Entitled Shareholders are eligible to participate in the Rights Issue. Please refer to the Section entitled "**Eligibility of Shareholders to Participate in the Rights Issue**" of this Offer Information Statement for further details.

The allotment and issue of the Rights Shares pursuant to the Rights Issue are governed by the terms and conditions set out in this Offer Information Statement, including Appendices B to D of this Offer Information Statement, the PAL, the ARE and the ARS.

**ADDITIONAL DISCLOSURE REQUIREMENTS FOR RIGHTS ISSUES
UNDER APPENDIX 8A OF THE CATALIST RULES**

1. WORKING CAPITAL

Provide a review of the working capital for the last three (3) financial years and the latest half year, if applicable.

The working capital of the Group for FY2016, FY2017, and FY2018 and 3QFY2019 is set out below:

Group	FY2016 RMB'000 (Audited)	FY2017 RMB'000 (Audited)	FY2018 RMB'000 (Audited)	3QFY2019 RMB'000 (Unaudited)
Current Assets	232,376	175,807	203,149	198,862
Current Liabilities	70,749	33,053	70,078	93,147
Net Current Assets Liabilities	161,627	142,754	133,071	105,715

Review of working capital

3QFY2019 vs FY2018

Current assets decreased by approximately RMB4.3 million in 3QFY2019 when compared to FY2018. This was primarily due to a decrease in trade and other receivables resulting from (i) decrease in trade receivables as a result of successful collections from few major customers; (ii) offset by the increase in trade receivables; and (iii) offset by the increase in other receivables related to a second advance payment to a supplier of sweet potatoes.

Current liabilities increased by approximately RMB23.1 million in 3QFY2019 when compared with FY2018 and this was primarily due to (i) settlement of trade payables; (ii) settlement of other payables for Singapore office operations; and (iii) offset by the operating costs accrual in the period under review.

FY2018 vs FY2017

Current assets increased by approximately RMB27.3 million in FY2018 when compared to FY2017. This was primarily due to an increase in trade receivables relating to sales recognised in March 2018 and increase in other receivables. Inventories also increased due to the stocking of direct materials following the Production Resumption and finished goods produced for delivery in April 2018.

Current liabilities increased by approximately RMB37.0 million in FY2018 when compared with FY2017. This was primarily due to the increase in trade payables for the purchase of raw materials following the Production Resumption and increase in other payables.

ADDITIONAL DISCLOSURE REQUIREMENTS FOR RIGHTS ISSUES UNDER APPENDIX 8A OF THE CATALIST RULES

FY2017 vs FY2016

Current assets decreased by approximately RMB56.6 million in FY2017 when compared to FY2016. This was primarily due to the Factories Closure. As a result of the Factories Closure, there were no production and inventories as of 31 March 2017 became *nil* while trade and other receivables decreased due to lower revenue in the last quarter of FY2017.

Current liabilities decreased by approximately RMB37.7 million in FY2017 when compared with FY2016. This was also primarily due to the Factories Closure, which led to a reduction in the purchase of raw materials and a corresponding decrease in trade and other payables.

2. CONVERTIBLE SECURITIES

- (i) Where the rights issue or bought deal involves an issue of convertible securities, such as company warrants or convertible debt, provide the information in Rule 832 of the Listing Manual.**

- (ii) Where the rights issue or bought deal is underwritten and the exercise or conversion price is based on a price-fixing formula, to state that the exercise or conversion price must be fixed and announced before trading of “nil-paid” rights commences**

Not applicable. The Rights Issue does not involve an issue of convertible securities and will not be underwritten.

3. RESPONSIBILITY STATEMENT BY THE FINANCIAL ADVISER

A statement by the sponsor and each financial adviser in the form set out in Practice Note 12A.

Not applicable. As provided in Appendix 8A of the Catalist Rules, this requirement is not applicable if an issuer has to comply with the offer information statement requirements in the SFA.

APPENDIX A – RISK FACTORS

To the best of the Directors' knowledge and belief, all the risk factors that are material to prospective investors in making an informed judgment on the Rights Issue (save for those which have already been disclosed to the general public) are set out below. Prospective investors should carefully consider and evaluate each of the following considerations and all other information contained in this Offer Information Statement before deciding whether to invest in the Rights Shares.

The risks described below are not intended to be exhaustive. In addition to the risks described below, the Group could be affected by risks relating to the industry and countries in which the Group operates as well as economic, business, market and political risks. In addition, there may be additional risks not presently known to the Group, or that the Group currently deems immaterial, but which could affect its operations. If any of the following considerations and uncertainties develops into actual events, the business, results of operations, financial condition and prospects of the Group could be materially and adversely affected. In that event, the market price of the Shares and/or the Rights Shares could decline, and investors may lose all or part of their investment in the Shares and/or the Rights Shares. Before deciding to invest in the Rights Shares, you should seek professional advice from your adviser(s) about your particular circumstances.

RISKS RELATING TO THE GROUP'S BUSINESS AND INDUSTRY

The Group's business is vulnerable to the general uncertain economic, social and political environment

The Group's business is subject to the general economic conditions in the PRC market that it operates in. Factors such as the demand of the end consumers for the Group's products and the delivery schedule can affect the Group's business operations.

As sweet potato food products are not staple goods, a more cautious consumer spending behaviour may arise during periods of economic downturn, which in turn will affect the overall demand for the Group's products.

Given the uncertainties as to the future economic outlook, the Group cannot give any assurance that they will be able to maintain its existing level of orders for their products or that the Group will be able to react promptly to any changes in economic conditions. In the event that the Group fails to react promptly to changing economic conditions, its performance and profitability could be adversely affected. There is also no assurance that the factors which have contributed to the success of the Group during the past few years will continue in the future. The Group's business performance, future plans and operations will be adversely affected if these conditions deteriorate in the future.

The Group operates in a highly competitive industry

The Group faces keen competition from both producers of sweet potato food products in Liancheng county of Fujian province and snack food producers in other districts of the PRC, who offer similar products. As the sweet potato snack food market is at a stage where there are no established brands, market share can be captured through aggressive price competition strategies. The Group's competitors may be able to offer more competitive pricing which may result in the Group having to reduce prices or make substantial investments in research and development ("R&D"), or marketing. This in turn could materially and adversely affect its profitability and financial performance.

APPENDIX A – RISK FACTORS

In the event that the Group is unable to remain competitive and compete effectively with existing or new competitors in the future, its profitability and operations could also be affected.

The Group is dependent on seasonal consumer demand

The Group is dependent on sales of its sweet potato food products. As sweet potato food products are snack food products, sales rise from September and peak in January to March where the weather is cooler. Sales are lowest from June to August as consumers prefer beverages in the hot summer months. As such, the Group plans its production cycle to meet its peak demand periods. The sales performance of the Group is significantly dependent on its sales volume during its peak seasons. In the event that the length of the peak season is reduced or if the Group fails to effectively drive sales for the peak season, its financial performance and profitability may be adversely affected.

Demand for the Group's products also depends on demographic factors, consumer preferences and trends, as well as factors relating to discretionary consumer spending, including the general condition of the economy, general level of consumer confidence and seasonal factors such as weather and festivities. There is no assurance that consumer demand will not shift to other types of snack food products leading to a decrease in demand for the Group's products, in the event of such decrease, the financial performance, profitability and prospects of the Group will be adversely affected.

The Group may fail to sufficiently develop new products that are demanded by consumers

The Group is dependent on its ability to constantly develop new products to suit the tastes and maintain the interest of consumers. There is no assurance that it will always be able to develop new products that will meet the tastes of consumers and some new products will not receive sufficient demand and fail to capture sufficient market share.

Additionally, the Group's products may also be imitated by competing sweet potato food product producers, or they may pass off their products as the Group's products. If the Group is unable to effectively enforce its intellectual property rights in a timely manner, or to constantly develop new products to maintain its exclusivity, the profitability and financial performance of the Group will be adversely affected.

Unfavourable fluctuations in the prices of or shortages in raw materials will adversely affect the profitability of the Group

Raw materials account for a significant component of the Group's production costs. The raw materials used by production include sweet potatoes, starch, sugar, and glucose.

Prices of raw materials are subject to fluctuations depending on the harvest season, commodity prices, and general market conditions. Should there be any shortage in the supply of, or upsurge in the market demand for, raw materials used by the Group, or any other unforeseen circumstances, it may lead to an increase in the prices of such raw materials. In addition, there is no assurance that the Group will be able to source for alternative suppliers or pass on any increase in the prices of raw materials to consumers. Hence, any increases in raw material costs that cannot be passed onto consumers may adversely affect the Group's business operations, financial performance, and profitability.

APPENDIX A – RISK FACTORS

The Group is exposed to risks of natural disasters, adverse weather conditions and outbreak of diseases affecting the cultivation of sweet potatoes

Sweet potatoes, the primary raw materials for the Group's products, are purchased from Jinlao Potato or local suppliers. The cultivation of sweet potatoes is vulnerable to the occurrence of natural disasters and adverse weather conditions such as droughts, floods, earthquakes, windstorms and outbreaks of diseases affecting plants. In particular, the Liancheng county of Fujian province has previously experienced instances of snowstorms and flooding. Any such occurrence in or in close proximity to areas where Jinlao Potato or other third party suppliers operate could result in raw material shortages, loss of crops or costly delays in harvesting the crops. The Group may also be unable to fulfil advance orders placed by its customers and its customers may claim against it for any delay in the delivery of their orders.

The Group is vulnerable to food contamination and could face product liability claims which may be costly and result in negative publicity

Whilst the Group adheres to stringent quality control procedures during the entire production process, there is no assurance that its products will be entirely free from defects. Food contamination is a risk inherent in the food production industry. Any production accident, contamination or negligence by the Group's production staff during the production process may result in defects in the Group's products and render them unsafe for human consumption or detrimental to human health. If any of its products is found to be unsafe for human consumption or detrimental to human health, the Group may face product liability claims from consumers arising from injuries, losses or damage suffered by. The PRC authorities may also impose sanctions on the Group including an injunction against selling its products. As at the Latest Practicable Date, the Group has not experienced any such instances of food contamination. However, in the event of food contamination, the operations, profitability, and financial performance of the Group would be adversely affected.

The Group's reputation and brand image may also be adversely affected by negative publicity from the publication of industry findings, research or health concerns in relation to its products, with or without merit. Such negative publicity may decrease consumer demand for its products and adversely affect its financial performance and profitability.

Negative publicity on PRC food products may adversely affect the Group's business and profits

Other companies in the food product industry, in the attempt to achieve higher profits, may not pay sufficient attention to product quality and the safety of food products. Negative publicity over the safety of food products produced in the PRC may generally affect the demand for PRC food products. Any negative publicity on PRC products, whether relating to the Group's business or otherwise, may affect the Group's sales. This in turn may adversely affect the Group's business and profits.

The Group may be affected by labour shortages or any significant increase of labour costs in the PRC

The Group's business is labour intensive and its continued success depends in part on its ability to attract, motivate and retain a sufficient amount of labour, including skilled employees for its R&D, sales, marketing teams, and other operational personnel. Any failure to recruit and retain a

APPENDIX A – RISK FACTORS

sufficient amount of labour to support the Group's business operations or any material increase in labour turnover rates could have an adverse impact on its business operations and financial performance.

The Group has observed a tightening labour market and rising labour costs in the and expects such tightening to continue in the future. Competition for labour may require the Group to pay high wages to attract and retain sufficient and capable workers. In the event of any substantial increase in labour costs, or the inability to hire sufficient numbers of employees in a timely manner, the Group's profitability and financial performance may be adversely affected.

The Group's labour costs will also be affected by increases in the mandatory minimum wage guidelines prescribed by the local government in the Fujian province, where the Group's production facilities are located. These guidelines are reviewed and promulgated on an annual basis. In the event of an increase in any of the minimum wage requirements, the Group would need to increase the wages of its affected workers and may also need to increase the wages of other workers who are paid above the minimum wage due to higher salary expectations. This will result in an increase in the Group's costs of operations. Consequently, if the Group is not able to pass on such increased labour costs to its customers, its profitability and financial performance could be adversely affected.

Major disruptions at the Group's production facilities will affect its business

The Group's business may be affected by disruptions at its production facilities due to causes such as natural calamities, fire, equipment breakdown, or disruption in the supply of utilities.

The Group had, in FY2017, experienced a closure of two of its factories following the local government general directive to tighten the pollution control requirements. As a result, the Group saw a decrease in its revenue and current assets in FY2017.

For more information, please refer to:

- (i) Paragraph 4 of Part 5 "**Operating and Financial Review and Prospects**" of the section entitled "Sixteenth Schedule of the Securities and Futures (Offers of Investments) (Securities and Securities-Based Derivatives Contracts) Regulations 2018" of this Offer Information Statement; and
- (ii) Part 1 "**Working Capital**" of the section entitled "Additional Disclosure Requirements for Rights Issues under Appendix 8A of the Catalist Rules" of this Offer Information Statement.

Further, the occurrence of prolonged power failure or power surges at the Group's production plants may result in damage to its production equipment or facilities or cause a production halt or delay in its production schedule. The local authorities in the Liancheng county, where the Group's factories are located, may take steps to develop the power infrastructure in the region, which could lead to disruptions or restrictions to the supply of power. However, in the event of such disruptions to production facilities, there may be a material adverse impact on the Group's operations, business and financial performance.

The Group may fail to successfully implement its business plans

The growth and future success of the Group is dependent on, among others, the successful completion of business plans proposed to be undertaken by the Group and the sufficiency of

APPENDIX A – RISK FACTORS

demand for its products. There is no assurance that actual demand for the Group's products after its business plans are completed will be similar to the amount of demand predicted.

Further, the successful implementation of these plans depends on the Group's ability to obtain timely and sufficient funding, and the ability to attract the necessary employees to support its business plans. The execution of its expansion strategy may also place a strain on managerial, operational and financial reserves. The management capabilities of the senior management team may not be able to increase proportionally with the pace of expansion. Should the Group fail to implement its expansion plans or should there be insufficient demand for its products, its business operations, financial performance and prospects may be adversely affected.

The Group is dependent on its key management, in particular, its Executive Chairman and Chief Executive Officer, Liang Chengwang

The Group's success is largely attributable to the expertise and operational experience in the sweet potato food industry possessed by its Executive Chairman and Chief Executive Officer, Liang Chengwang. The continued success of the Group is therefore dependent to a large extent on its ability to retain the services of Liang Chengwang. The loss of Liang Chengwang, without suitable and timely replacement, may therefore adversely affect the Group's business operations, financial performance and future growth of the Group. As at the Latest Practicable Date, the Group does not maintain insurance coverage for the loss of the services of any of its key management personnel and there is no assurance that the Group will be able to retain the services of its key management in the future.

The Group is dependent on its distributors and wholesalers to sell and market its products to the end consumer

As at the Latest Practicable Date, the Group sells mainly to distributors and wholesalers and does not sell its products directly to the end consumer. As the Group has limited control over the behaviour of these distributors and wholesalers it is reliant on these distributors and wholesalers to effectively market and sell its products to the end consumer. If the distributors do not take steps to promote the sales of the Group's products, or if they change their behaviour adversely, the profitability and financial performance of the Group may be adversely affected.

The Group's operations may be affected should it fail to comply with the conditions stipulated in any of its licences, permits or approvals, or, in the event that any of its licenses or approvals is not renewed or extended

The Group is required to obtain the relevant licences, permits and approvals from the PRC authorities to carry on its business, in particular, licenses in relation to food safety. As at the Latest Practicable Date, the Group has obtained all the necessary licences and permits for its business operations in the PRC and has complied with all relevant laws and regulations of the PRC. However, some of these permits and business licences are subject to periodic renewal and reassessment as well as fulfilment of conditions imposed by the relevant governmental authorities, and the standards of compliance required in relation thereto may from time to time be subject to changes.

Non-renewal or revocation of the Group's licences, permits and approvals will have a material adverse effect on the Group's operations as it may not be able to carry on its business without such licences, permits and approvals being granted or renewed. In such an event, its business and financial performance may be adversely affected. In addition, it may be costly for the Group to comply with any subsequent modifications of, additions or new restrictions to, these compliance

APPENDIX A – RISK FACTORS

standards. Should there be any subsequent modifications of, additions, or new restrictions to the current compliance standards, the Group may incur additional costs to comply with the new or modified standards which may adversely affect their business and financial performance.

The Group may face claims for infringement of third party intellectual property rights or its intellectual property rights may be infringed

The Group has registered several patents. It cannot be certain whether these patents will be sufficient to protect the Group's intellectual property and exclude competitors with similar technology and systems. The intellectual property rights conferred on the Group by these patents could still be eroded by third-party infringement or revocation. In the event that the Group's intellectual property rights are infringed, it may have to incur significant litigation expenses and devote time and effort to enforce its rights. An infringement of the Group's intellectual property rights may adversely affect its operations and financial position.

In addition, certain of the Group's proprietary know-how and technical expertise may not be patentable. Its proprietary know-how and technical expertise are important to its business. There can be no assurance that any of the Group's employees, partners, customers, suppliers, sub-contractors and various other third parties will not use or disclose such proprietary know-how and technical expertise. There is also no assurance that its proprietary know-how and technical expertise will not otherwise become known to others. In the event that its proprietary know-how and technical expertise are replicated by other parties, there can be no assurance that it would be able to detect such misappropriation or that it can enforce any meaningful protection. The Group also cannot be certain that its proprietary know-how and technical expertise may not be independently developed by third parties or that it will be able to prevent the development or commercial application thereof. Any infringement of its intellectual property rights and proprietary know-how and technical expertise may have a material adverse effect on the Group's business.

The Group may also face claims from third parties in respect of the infringement of any intellectual property rights owned by such third parties. There is no assurance that third parties will not assert competing claims to its processes, technologies and systems. In such an event, the Group may need to acquire licences to, or contest the validity of, issued or pending patents or claims of third parties. There can be no assurance that any licence acquired under such patents would be made available to us on acceptable terms, if at all, or that it would prevail in any such contest. In addition, the Group would incur substantial costs and spend substantial amounts of time in defending itself in or contesting suits brought against it for alleged infringement of another party's patent rights. As such, its operations and business may be adversely affected by such civil actions.

Ongoing litigation could result in large costs to the Group

The SGHC has recently, on 29 March 2019, released its written judgment (the "**SGHC Judgement**") in relation to the litigation proceedings brought against the Company by Mr. Cheong Chee Hwa ("**CCH**"), who claimed the sum of S\$2,544,696.00 or damages to be assessed, on the basis of certain alleged breaches by the Company under a sale and purchase agreement dated 5 November 2014 previously entered into between, *inter alia*, the Company and CCH in relation to the sale of the CCH's shares in China Star Food Holdings Pte. Ltd. to the Company in connection with the Company's reverse takeover.

In the HC Judgment, CCH's claims against the Company were dismissed by the SGHC. However, CCH has one (1) month from the date of the SGHC Judgement to appeal the decision to the SGCA, that is, by 29 April 2019.

APPENDIX A – RISK FACTORS

For more information, please refer to paragraphs 9(c) and (f) of Part 4 “**Key Information**” of the section entitled “Sixteenth Schedule of the Securities and Futures (Offers of Investments) (Securities and Securities-Based Derivatives Contracts) Regulations 2018” of this Offer Information Statement.

The Group’s financial condition, profitability and financial performance of the Group may be adversely affected should CCH decide to appeal the decision in the SGHC Judgment to the SGCA and succeed in winning such appeal.

RISKS RELATING TO OPERATIONS IN THE PRC

The Group’s operations could be adversely affected by changes in the political, economic and regulatory environment in the PRC

Since 1978, the PRC government has implemented various reforms in its economic systems. Such reforms have resulted in economic growth for the PRC in the last two decades. However, many of the reforms are unprecedented or experimental and are expected to be refined and modified from time to time. Other political, economic and social factors may also lead to further readjustment of the reform measures. This refinement and readjustment process may consequently have a material impact on the operations of the Group in the PRC or a material adverse impact on its financial performance. The Group’s business and operations may be adversely affected by changes in the PRC’s political, economic and social conditions and by changes in policies of the PRC government or changes in laws, regulations or the interpretation or implementation thereof.

Introduction of new laws or changes to existing laws by the PRC government may adversely affect the business of the Group

The PRC government is still in the process of developing a comprehensive set of laws and regulations in the course of the PRC’s transformation from a centrally planned economy to a more free and market-oriented economy. As the legal system of the PRC is still in flux, the PRC’s laws and regulations may be subject to change. Furthermore, any changes in the political and economic politics of the PRC government may lead to similar changes in the laws and regulations and/or their interpretation. Such changes may affect the business and prospects of foreign companies (such as the Group) with operations and business in the PRC.

Currently, the PRC legal system is a codified legal system comprising written laws, regulations and directives. Judicial interpretation also forms a source of law. At the same time, internal guidelines of the PRC governmental authorities may have an impact on the enforcement of the law. Unlike common law jurisdictions like Singapore and the United Kingdom, decided cases do not have binding effect on subsequent cases. The number of judicial decisions on the implementation, interpretation and enforcement of the laws and regulations, and of commercial contracts, undertakings and commitments entered into are relatively limited. The enforcement of laws and regulations of the PRC may therefore be subject to a certain degree of discretion by the authorities. The outcome of dispute resolution may not have the level of consistency or predictability as in other countries with more developed legal systems. While significant progress has been made in the legal system of the PRC, the enforcement of existing laws and regulations may be uncertain or inconsistent and the interpretation of these laws and regulations may change from time to time. Hence, should the Group be involved in any legal disputes, it may face difficulties in obtaining legal redress and/or in enforcing its legal rights.

Further, the PRC is still in the process of developing its legal system to meet the needs of investors and to encourage foreign investment. As the PRC economy is generally undergoing

APPENDIX A – RISK FACTORS

development at a much faster pace than its legal system, some degree of uncertainty, in connection with whether and how existing laws and regulations will apply to certain events or circumstances will exist. From time to time, changes in the laws and regulations or in the manner of their implementation may require the Group to obtain additional approvals and licences from the PRC authorities for the conduct of its operations in the PRC. This might result in increased costs in order to comply with such requirements, which would in turn have an impact on its financial performance. Furthermore, there can be no assurance that such licences or approvals would be granted promptly or at all. Should the Group encounter difficulties in or delays in obtaining the requisite approvals and licences, its operations in the PRC and the overall financial performance of the Group will be adversely affected.

The Group is required to comply with applicable PRC laws, policies and other regulations concerning labour, social insurance and housing fund

The Group is required to comply with applicable PRC labour, social insurance and housing fund laws, policies and regulations. In the PRC, employers entering into a labour contract relationship with its workers shall perform the duties stipulated under the relevant laws and regulations, including the execution of contracts with employees, prompt payment of salaries, and in particular, contribution to the employees' social insurance and housing fund. Any failure by the Group in complying with the applicable labour, social insurance and housing fund laws may subject it to penalties and liabilities under PRC laws, policies and regulations, including but not limited to the issuance of warnings and imposition of fines.

The relevant local authorities may require the Group to make up any shortfall in payment of social insurance or housing fund based on the actual salary of employees, or pay any penalties. Employees may also commence legal action for the Group to make up any shortfall in payment of social insurance or housing fund based on their actual salary. Any such requirement to make further payment would adversely affect the business and financial performance of the Group.

There can be no assurance that existing laws, policies and regulations in relation to, *inter alia*, labour, social insurance and housing fund will not be amended in the future. Stricter laws, policies and regulations, or more stringent implementation and/or interpretation of existing laws, policies and regulations, in relation to labour, social insurance and housing fund may impose additional compliance requirements on the Group, such as the payment of higher social insurance and housing fund. Any failure by the Group to comply with the changes to the PRC laws, policies and regulations could result in the imposition of fines and penalties, delays in production or increased labour costs, which may adversely affect its business and operations.

PRC foreign exchange control may limit the ability of the Group to utilise its revenue effectively and affect the Group's ability to receive dividends and other payments from the its subsidiaries

Fujian Zixin (福建紫心生物薯业有限公司) is subject to PRC rules and regulations on currency conversion. In the PRC, the State Administration of Foreign Exchange (国家外汇管理局) (“SAFE”) regulates the conversion of the RMB into foreign currencies. Currently, foreign invested enterprises (“FIEs”) are required to register with SAFE for relevant foreign exchange affairs. SAFE will issue separate foreign exchange registration forms (外汇业务登记凭证) for each registered affair. With such registration, FIEs are allowed to open foreign currency accounts including the “current account” and “capital account”. Currently, conversion within the scope of the “current account” (including remittance of foreign currencies for payment of dividends) can be effected without requiring the approval of SAFE. However, the use of RMB converted from foreign

APPENDIX A – RISK FACTORS

exchange in the “capital account” (including conversion of currency for capital items such as direct investments, loans and securities) requires FIEs to submit supporting documents for fund use.

The applicable law in respect of conversion of RMB into other currencies is the Regulation of the PRC on Foreign Exchange Administration (中华人民共和国外汇管理条例) (“**Exchange Control Regulation**”) which came into effect on 1 April 1996 and amended as of 14 January 1997 and further amended as of 1 August 2008. Under the Exchange Control Regulation:

- (i) Conversion of RMB into foreign currencies for the use of recurring items, including the distribution of dividends and profits to foreign investors of FIEs is permissible and the approval of SAFE is not required, and FIEs are permitted to remit foreign currencies from their foreign currency bank accounts in the PRC upon presentation to the banks of board resolutions which authorise the distribution of profits or dividends and subject to other requirements being satisfied.
- (ii) However, conversion of RMB into foreign currencies for capital items, such as repatriation of capital, repayment of loans and for securities investment, is still under control and needs the approval of SAFE. However, there is no assurance that PRC regulatory authorities will not impose further restrictions on the convertibility of the RMB. As revenue derived from the Group’s subsidiaries is denominated in RMB, any future restriction on currency exchanges may limit the ability of the Group’s subsidiaries to repatriate profits to the Company in the form of dividend income or otherwise.

As foreign exchange controls are highly regulated in the PRC, the current laws could be changed at any time by executive decisions of the State Council. Furthermore, SAFE has a significant degree of administrative discretion and authority to promulgate specific administrative rules in implementing the laws.

In addition, on 4 July 2014, the SAFE issued a Circular on the Relevant Issues of Offshore Investment and Financing through Special Purpose Vehicle by Domestic Residents and Round Trip Investment (关于境内居民通过特殊目的公司境外投融资及返程投资外汇管理有关问题的通知) (“**Circular 37**”), pursuant to which, a special purpose vehicle (“**SPV**”) is an offshore enterprise directly established by or indirectly controlled by a domestic resident, including a domestic entity and a domestic individual (collectively, “**Domestic Resident**”) through any domestic enterprise’s assets, rights or interests, or through any overseas assets, rights or interests legally held by such Domestic Resident for the purpose of investing or financing. The establishment of SPV is subject to registration with the SAFE. A Domestic Resident shall complete such registration first before proceeding with other foreign exchange matters. Circular 37 requires the Domestic Resident to update such registration in a timely manner upon occurrence of such basic information change as shareholder, name and operation period of the SPV or such significant information change as capital increase or decrease of Domestic Resident, share transfer or swap, merger or spin-off etc.

Circular 37 also requires that the repatriation of financed capital to the PRC shall be subject to the relevant regulations of foreign investment and foreign debt etc of the PRC. The foreign funded enterprise in the PRC through round trip investment shall be subject to foreign exchange registration formalities in accordance with foreign exchange administration in respect of foreign direct investment regulations.

APPENDIX A – RISK FACTORS

Circular 37 also allows a Domestic Resident to make up such registration (补登记) if the Domestic Resident fails to complete the registration before the round trip investment. Liang Chengwang is considered as a PRC Domestic Resident that shall be subject to the Circular 37. He has completed the foreign exchange registration of his offshore investment in the Company with Fujian Provincial Branch of SAFE on 14 January 2015 in compliance with the requirements of Circular 37.

However, there is no assurance that SAFE or other PRC regulatory authorities will not continue to issue new rules and regulations and further clarification or interpretations of Circular 37 which will strengthen or put more restriction on the foreign exchange control. As all revenue of the Group is derived from its subsidiaries and the revenue is mainly denominated in RMB, any future restriction on currency exchanges may limit the ability of its subsidiaries to repatriate such revenue to the Group in the form of dividend income or otherwise.

Any changes in the Singapore-PRC Double Taxation Agreement with respect to an increase in the dividend withholding tax rate may affect the dividends payable to the Company

Pursuant to the Avoidance of Double Taxation Agreement between Singapore and the PRC dated 11 July 2007 and its Third Protocol dated 23 July 2010, the dividend withholding tax rate shall not exceed 5% of the total dividends declared if the beneficial owner of the dividends is a company that holds at least 25% of the share capital of the company paying the dividend. Given that the Company owns 100% of the share capital of Fujian Zixin (福建紫心生物薯业有限公司), the applicable dividend withholding tax to the Company is 5%. However, there is no assurance that the PRC government and the Singapore government will not further amend the double taxation agreement. In the event that such dividend withholding tax rate increases, it may affect the amount of dividends paid out by Fujian Zixin (福建紫心生物薯业有限公司), and therefore, the Group's financial performance may be adversely affected.

The outbreak, or threatened outbreak, of any severe communicable disease in the PRC may materially and adversely affect the Group's business and the results of its operations

The outbreak, or threatened outbreak, of any severe communicable disease (such as severe acute respiratory syndrome, avian influenza or H1N1 influenza) in the PRC will materially and adversely affect overall business sentiment and prospects in the PRC, particularly if such outbreaks are inadequately controlled. This in turn will materially and adversely affect domestic consumption, labour supply and, possibly, the overall GDP growth of the PRC. The Group's revenue is currently derived mainly from its PRC operations and any labour shortages or slowdown in the growth of domestic consumption in the PRC will materially and adversely affect the Group's business and results of its operations. In addition, if significant numbers of the Group's employees are affected by any severe communicable disease, such occurrence will adversely affect or disrupt the Group's operations, as the Group may be required to close its facilities to prevent the spread of the disease. The spread of any severe communicable disease in the PRC may also affect the operations of the Group's customers and suppliers, which will materially and adversely affect the Group's business and results of its operations.

The Group is subject to environmental laws and regulations in the PRC

The Group is subject to various PRC environmental laws and regulations in the areas in which it operates including laws regulating the emission and discharge of waste materials into soil, air or water. The Group is required to implement environmental protection systems and procedures simultaneously with the commencement of and operation of construction, production and other activities undertaken by the Group. Construction project owners are required to complete an environmental impact appraisal (环境影响评估) before commencing construction, and to complete an environmental protection acceptance (项目环保验收) upon completion of construction. In addition, the Group is required to report and register the discharge of any pollutants to the Administration Supervisory Department of Environmental Protection and pay fines for such discharge.

APPENDIX A – RISK FACTORS

There is no assurance that the Group will at all times be in compliance with the applicable laws or regulations in relation to environmental protection. If the Group fails to comply with such laws or regulations, it could be subject to fines or sanctions from the PRC authorities. This could adversely affect the Group's reputation, business operations and financial performance. In addition, there is no assurance that more stringent environmental laws and regulations will not be imposed in the future, and the Group may incur additional compliance costs.

The Group is exposed to risks relating to Collectively Owned Land held by farming households

The Group had renewed a lease of approximately 2,000 Mu (亩) of Collectively Owned Land from villages for the purposes of cultivating sweet potatoes. Pursuant to land circulation assignment contracts, the Group has assigned these leases to Jinlao Potato.

The procedures and practices of issuing title certificates for Collectively Owned Land are unclear. Although PRC authorities have issued legal directives and rules to regulate the process of issuing Collectively Owned Land Title Certificates (集体土地所有证) to evidence their ownership, few areas in the PRC have properly implemented these processes due to difficulties in identifying the proper owners of the land.

As at the Latest Practicable Date, due to the difficulties described above, the Group has not sighted the requisite title certificates evidencing the lessors' title to the Collectively Owned Land leased. As such, there is a possibility that title to the Collectively Owned Land may be challenged, if it is shown that the lessors do not have legal title to the Collectively Owned Land, the validity and enforceability of the leases, and subsequently, the land circulation assignment agreements, would be adversely affected. As the Group has assigned these leases to Jinlao Potato, who cultivates sweet potatoes on the leased land using improved varieties of sweet potato slips provided by the Group, and sells these sweet potatoes exclusively to the Group, any challenge to the leases would affect the Group's supply of sweet potatoes and in turn affect the business operations and financial performance of the Group.

There is no assurance that Liancheng Dizhongbao (连城县地中宝现代农业发展有限公司) will continue to enjoy a value added tax or enterprise income tax exemption

As at the Latest Practicable Date, pursuant to Article 15 of the Interim Rules of Value Added Tax of the PRC (中华人民共和国增值税暂行规定), agricultural producers engaging in the sale of their own agriculture products are exempted from value added tax. One of the Group's subsidiaries, Liancheng Dizhongbao (连城县地中宝现代农业发展有限公司), has obtained an exemption confirmation letter from the Liancheng State Tax Bureau (连城国家税务局) that sweet potatoes planted by Liancheng Dizhongbao (连城县地中宝现代农业发展有限公司) are exempt from value added tax.

As at the Latest Practicable Date, pursuant to Article 27 of the PRC Enterprise Income Tax Law and Article 86 of the Implementing Rules of the PRC Enterprise Income Tax Law, one of the Group's subsidiaries, Liancheng Dizhongbao (连城县地中宝现代农业发展有限公司), has obtained an exemption confirmation letter from the Liancheng State Tax Bureau (连城国家税务局) that sweet potatoes planted by Liancheng Dizhongbao (连城县地中宝现代农业发展有限公司) are exempt from income tax.

APPENDIX A – RISK FACTORS

There is no assurance that there will be no further changes to the laws and regulations in relation to value added tax or enterprise income tax which may result in the removal, loss, suspension or reduction of these exemptions. Any such removal, loss, suspension or reduction would in turn adversely affect the Group's financial performance and profitability.

Intra-group transactions between the Group's subsidiaries may be subject to transfer pricing risks

Since March 2014, Liancheng Dizhongbao (连城县地中宝现代农业发展有限公司) began deriving profit from the sale of sweet potatoes to Fujian Zixin (福建紫心生物薯业有限公司). Pursuant to the relevant PRC regulations, Liancheng Dizhongbao (连城县地中宝现代农业发展有限公司) is exempted from corporate income tax and value added tax for the sale of agricultural produce, i.e. sweet potatoes.

Potential transfer pricing risks arise when intra-group transactions with (i) related parties located in different tax jurisdictions or with (ii) related parties which enjoy favourable tax treatment (for example, due to tax incentives) are not conducted on an arm's length basis and result in the shifting of profit to the related party that is subject to a lower tax rate. In the event that the arm's length principle of such intra-group transactions is challenged by the relevant tax authorities, the relevant tax authorities may adjust and tax the income of the relevant party at its discretion. As the burden of proof to show a transaction is entered on an arm's length basis rests with taxpayers, proper supporting documentation is necessary to satisfy the authorities that the transactions are conducted on an arm's length basis.

As at the Latest Practicable Date, Fujian Zixin (福建紫心生物薯业有限公司) and Liancheng Dizhongbao (连城县地中宝现代农业发展有限公司) have not experienced any incidents of non-compliance with the relevant PRC tax regulations. However, there is no assurance that, in the event of a query from the relevant PRC tax authorities, the Group would be able to produce sufficient documentation to satisfy the authorities that these intra-group transactions are conducted on an arm's length basis and the Group may be subject to a transfer pricing adjustment at the discretion of the relevant PRC tax authorities. A transfer pricing adjustment could, among other things, result in an increase in the tax expenses and liabilities of the Group, adversely affecting the Group's profitability and financial position.

As the Group's subsidiaries, operations and significant assets are located in the PRC, Shareholders may not be accorded the same rights and protection that would be accorded under the Companies Act, and may face difficulties in enforcing a judgment by Singapore courts against the Group, its directors and its officers

The Group's principal operating subsidiaries and operations are located in the PRC. These subsidiaries are subject to the applicable laws and regulations in the PRC which may not correspond to provisions in the Companies Act for the protection of Shareholders. As such, Shareholders may or may not be accorded with the same level of rights and protections that would be accorded by the Companies Act in relation to a Singapore incorporated company.

Further, certain members of the Board, namely Liang Chengwang, Chen Hua Jing and He Jing are non-residents of Singapore, and substantially all their assets are located outside Singapore. As such, it could be difficult for Shareholders who wish to make a claim against the Company or the abovementioned members of the Board to effect service of process in Singapore, or to enforce a judgment obtained in Singapore against the Company, its subsidiaries or the abovementioned directors.

APPENDIX A – RISK FACTORS

The Company may be ultimately responsible for the contribution of the outstanding capital of Fujian Zixin (福建紫心生物薯业有限公司) and Fujian Xingpai (福建星派食品有限公司) as well as the payment of any fines imposed for the non-payment of such registered capital

The total registered capital of Fujian Zixin (福建紫心生物薯业有限公司) is RMB80,000,000. As at the Latest Practicable Date, the total paid up capital contributed is approximately RMB37,300,000. The remaining unpaid share capital of approximately RMB42,700,000 is to be contributed in full by 10 June 2024.

The total registered capital of Fujian Xingpai (福建星派食品有限公司) is RMB10,000,000. As at the Latest Practicable Date, there has been no capital contributed to Fujian Xingpai (福建星派食品有限公司). The registered capital of RMB10,000,000 is required to be contributed in full by Fujian Zixin (福建星派食品有限公司) before 28 October 2019.

In the event that the required amounts of registered capital of Fujian Zixin (福建紫心生物薯业有限公司) and Fujian Xingpai (福建星派食品有限公司) is not contributed in full at its respective due dates, a fine in the range of 5.0% to 15.0% of the outstanding amount of registered capital may be imposed by the competent administration for industry and commerce on the Company or Fujian Zixin (福建紫心生物薯业有限公司), respectively. The maximum liabilities resulting from such fines could amount to an equivalent of RMB7.9 million as at the Latest Practicable Date. In the event that such fines are imposed, the financial condition, profitability and financial performance of the Group may be adversely affected.

The Company may be held liable for unauthorised actions by the legal representatives of its subsidiaries in the PRC

Under the laws and regulations of the PRC, the Group's subsidiaries in the PRC are required to appoint a legal representative (法定代表人) who has powers to represent, exercise rights on behalf of, and enter into binding obligations on behalf of, the respective subsidiary. In the event that these legal representatives of the Group perform any unauthorised actions in contravention of the law and/or the Group's contractual obligations purportedly on behalf of the relevant subsidiary, there is a risk that the Company may be held liable for such acts. In the event that any of the legal representatives incur liability on behalf of the Group without authorisation, the business, financial condition, results of operations, prospects, profitability and financial performance of the Group may be materially and adversely affected.

RISKS RELATING TO THE OWNERSHIP OF THE SHARES

Investments in shares quoted on the Catalist involve a higher degree of risk and can be less liquid than shares quoted on the Main Board of the SGX-ST

The Catalist is a listing platform designed primarily for fast-growing and emerging or smaller companies, to which a higher investment risk tends to be attached, as compared to larger or more established companies listed on the Main Board of the SGX-ST. An investment in shares quoted on the Catalist may carry a higher risk than an investment in shares quoted on the Main Board of the SGX-ST and the future success and liquidity in the market of the Shares cannot be guaranteed.

APPENDIX A – RISK FACTORS

The Company's Share price may be volatile

The market price for the Shares may be highly volatile and can fluctuate significantly and rapidly in response to, *inter alia*, the following factors, some of which are beyond the Group's control, namely:

- (a) variations in the Group's operating results
- (b) success or failure of the Company's management team in implementing business and growth strategies;
- (c) gain or loss of an important business relationship or contract;
- (d) additions or departures of key personnel;
- (e) changes in securities analysts' recommendations, perceptions or estimates of the Group's financial performance;
- (f) changes in the share prices of companies with similar business to the Group that are listed in Singapore, or elsewhere;
- (g) changes in conditions affecting the industry, the general economic conditions or stock market sentiments or other events or factors;
- (h) changes in governmental regulations;
- (i) changes in accounting policies;
- (j) fluctuations in stock market prices and volume;
- (k) involvement in litigation;
- (l) negative publicity involving the Group or any Director or executive officer of the Group; and
- (m) general economic, stock and credit market conditions.

Liquidity of the Shares

Active and liquid trading for securities generally result in lower volatilities in price and more efficient execution of buy and sell orders for investors. Generally, the liquidity of the market for a particular share is dependent on, amongst others, the size of the free float, the price of each board lot, institutional interests, and the business prospects of the Group as well as the prevailing market sentiment. There is no assurance that the liquidity of the Shares or the volume of the Shares as traded on the Catalist may not change or decline after the Rights Issue.

There is a high probability that the Group's Share price will fluctuate widely and may adversely affect your investment

The Group expects trading of the Shares to be volatile and trading of the Shares may respond to announcements relating to technological or competitive developments, mergers or acquisitions by the Group or their competitors, gain or loss of major customers, or estimates of the Group's financial performance by investment analysts.

APPENDIX A – RISK FACTORS

An active trading market in the “nil-paid” Rights may not develop

There is no certainty that an active trading market for the “nil-paid” rights on the Catalist will develop during the Rights Trading Period. Even if an active market develops, the trading price of the “nil-paid” rights, which depends on the trading price of the Shares, may be volatile.

Future sale of Shares could adversely affect the Share price

Any future sale or availability of Shares can have a downward pressure on the Group’s Share price. The sale of a significant amount of Shares in the public market after the Rights Issue, or the perception that such sales may occur, could materially and adversely affect the market price of the Shares. These factors will also weaken the Group’s ability to sell additional equity securities.

In the event a Shareholder is unable or unwilling to participate in certain additional fund-raising exercises, he may suffer potential dilution in his investment

The Group’s working capital requirements, financing plans and capital expenditure needs may vary from those presently expected. If the Group does not meet its goals with respect to revenues, or if costs are higher than anticipated or if there are changes to its current financing plans, substantial additional funds may be required. To the extent that funds generated from operations have been exhausted, the Group may have to raise additional funds to meet new financial requirements. These additional funds may be raised by way of a placement or by further rights offering (which would be subject to Shareholders’ approval if necessary) or through the issuance of new Shares.

In such events, if any Shareholder is unable or unwilling to participate in such fund raising, such Shareholder may suffer a dilution in his investment.

APPENDIX B – PROCEDURES FOR ACCEPTANCE, PAYMENT AND EXCESS APPLICATION BY ENTITLED DEPOSITORS

1. INTRODUCTION

- 1.1. Entitled Depositors are entitled to receive this Offer Information Statement and the ARE which forms part of this Offer Information Statement. For the purposes of this Offer Information Statement, any reference to an application by way of an Electronic Application without reference to such an Electronic Application being made through an ATM of a Participating Bank shall, where the Entitled Depositor is a Depository Agent, be taken to include an application made via the SGX-SFG Service.
- 1.2. The provisional allotments of Rights Shares are governed by the terms and conditions of this Offer Information Statement, (if applicable) the Constitution of the Company and the instructions in the ARE.

The number of Rights Shares provisionally allotted to each Entitled Depositor is indicated in the ARE (fractional entitlements (if any) having been disregarded). The Securities Accounts of Entitled Depositors have been credited by the CDP with the provisional allotments of Rights Shares as indicated in the ARE. Entitled Depositors may accept their provisional allotments of Rights Shares in full or in part and are eligible to apply for Rights Shares in excess of their provisional allotments under the Rights Issue. Full instructions for (i) the acceptance of and payment for the provisional allotments of Rights Shares and (ii) application of and payment for Excess Rights Shares are set out in this Offer Information Statement as well as the ARE.

SRS Investors who wish to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares can only do so, subject to applicable SRS rules and regulations, using monies standing to the credit of their respective SRS accounts. SRS Investors who wish to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares using SRS monies, must instruct the relevant approved banks in which they hold their SRS accounts to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares on their behalf in accordance with this Offer Information Statement. SRS Investors who have insufficient funds in their SRS accounts may, subject to the SRS contribution cap, deposit cash into their SRS accounts with their approved banks before instructing their respective approved banks to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares. SRS Investors are advised to provide their respective approved banks in which they hold their SRS accounts with the appropriate instructions no later than the deadlines set by their respective approved banks in order for their respective approved banks to make the relevant acceptance and (if applicable) application on their behalf by the Closing Date. Any acceptance and/or application made directly to CDP, the Share Registrar, the Company and/or by way of an Electronic Application at any ATM of a Participating Bank will be rejected. For the avoidance of doubt, monies in SRS accounts may not be used for the purchase of provisional allotments of the Rights Shares directly from the market.

- 1.3. If an Entitled Depositor wishes to accept his provisional allotment of Rights Shares specified in the ARE, in full or in part, and (if applicable) apply for Excess Rights Shares, he may do so by way of an Electronic Application or by completing and signing the relevant sections of the ARE. An Entitled Depositor should ensure that the ARE is accurately completed and signed, failing which the acceptance of the provisional allotment of Rights Shares and (if applicable) application for Excess Rights Shares may be rejected.

APPENDIX B – PROCEDURES FOR ACCEPTANCE, PAYMENT AND EXCESS APPLICATION BY ENTITLED DEPOSITORS

For and on behalf of the Company, the CDP reserves the right to refuse to accept any acceptance(s) and (if applicable) Excess Application(s) if the ARE is not accurately completed and signed or if the “**Free Balance**” of the relevant Entitled Depositor’s Securities Account is not credited with, or is credited with less than the relevant number of Rights Shares accepted as at the last time and date for acceptance, application and payment or for any other reason(s) whatsoever the acceptance and (if applicable) the Excess Application is in breach of the terms of the ARE or this Offer Information Statement, at the CDP’s absolute discretion, and to return all monies received to the person(s) entitled thereto **BY CREDITING HIS/THEIR BANK ACCOUNT(S) WITH THE RELEVANT PARTICIPATING BANK** (if he/they accept and (if applicable) apply through an ATM of a Participating Bank) or **BY MEANS OF A CROSSED CHEQUE SENT BY ORDINARY POST**, as the case may be, (in each case) **AT HIS/THEIR OWN RISK** or in such other manner as he/they may have agreed with the CDP for the payment of any cash distributions without interest or any share of revenue or other benefit arising therefrom (if he/they accept and (if applicable) apply through the CDP).

AN ENTITLED DEPOSITOR MAY ACCEPT HIS PROVISIONAL ALLOTMENT OF RIGHTS SHARES SPECIFIED IN HIS ARE AND (IF APPLICABLE) APPLY FOR EXCESS RIGHTS SHARES EITHER THROUGH THE CDP AND/OR BY WAY OF AN ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK. WHERE AN ENTITLED DEPOSITOR IS A DEPOSITORY AGENT, IT MAY MAKE ITS ACCEPTANCE AND EXCESS APPLICATION (IF APPLICABLE) VIA THE SGX-SFG SERVICE.

Where an acceptance, application, and/or payment does not conform strictly to the terms set out under this Offer Information Statement, the PAL, ARE, the ARS, and/or any other application form for the Right Shares and/or Excess Rights Shares in relation to the Rights Issue or which does not comply with the instructions for an Electronic Application, or in the case of an application by the PAL, ARE, the ARS, and/or any other application form for the Rights Shares and/or Excess Rights Shares in relation to the Rights Issue which is illegible, incomplete, incorrectly completed, unsigned, signed but not in its originality or which is accompanied by an improperly or insufficiently drawn remittance, the Company and/or the CDP may, at their/its absolute discretion, reject or treat as invalid any such acceptance, application, payment and/or other process of remittances at any time after receipt in such manner as they/it may deem fit.

The Company and the CDP shall be entitled to process each application submitted for the acceptance of the provisional allotment of Rights Shares, and where applicable, application for Excess Rights Shares in relation to the Rights Issue and the payment received in relation thereto, pursuant to such application, by an Entitled Shareholder, on its own, without regard to any other application and payment that may be submitted by the same Entitled Shareholder. For the avoidance of doubt, insufficient payment for an application may render the application invalid; evidence of payment (or overpayment) in other applications shall not constitute, or be construed as, an affirmation of such invalid application and (if applicable) application for Excess Rights Shares.

- 1.4. Unless expressly provided to the contrary in this Offer Information Statement, the ARE and/or the ARS with respect to enforcement against Entitled Depositors or their Renounees, a person who is not a party to any contracts made pursuant to this Offer Information Statement, the ARE or the ARS has no rights under the Contracts (Rights of Third Parties) Act, Chapter 53B, of Singapore to enforce any term of such contracts. Notwithstanding any term contained herein, the consent of any third party is not required for any subsequent agreement by the parties hereto to amend or vary (including any release or compromise of any liability) or terminate such contracts. Where third parties are conferred rights under such contracts, those rights are not assignable or transferable.

APPENDIX B – PROCEDURES FOR ACCEPTANCE, PAYMENT AND EXCESS APPLICATION BY ENTITLED DEPOSITORS

2. MODE OF ACCEPTANCE AND APPLICATION

2.1. Acceptance/Application by way of Electronic Application through an ATM of a Participating Bank

Instructions for Electronic Applications through ATMs to accept the Rights Shares provisionally allotted or (if applicable) to apply for Excess Rights Shares will appear on the ATM screens of the respective Participating Banks. Please refer to Appendix C of this Offer Information Statement for the additional terms and conditions for Electronic Applications through an ATM of a Participating Bank.

IF AN ENTITLED DEPOSITOR MAKES AN ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK, HE WOULD HAVE IRREVOCABLY AUTHORISED THE PARTICIPATING BANK TO DEDUCT THE FULL AMOUNT PAYABLE FROM HIS BANK ACCOUNT WITH SUCH PARTICIPATING BANK IN RESPECT OF SUCH APPLICATION. IN THE CASE OF AN ENTITLED DEPOSITOR WHO HAS ACCEPTED THE RIGHTS SHARES PROVISIONALLY ALLOTTED TO HIM BY WAY OF THE ARE AND/OR THE ARS AND/OR HAS APPLIED FOR EXCESS RIGHTS SHARES BY WAY OF THE ARE AND ALSO BY WAY OF AN ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK, THE COMPANY AND/OR THE CDP SHALL BE AUTHORISED AND ENTITLED TO ACCEPT HIS INSTRUCTIONS IN WHICHEVER MODE OR COMBINATION AS THE COMPANY AND/OR THE CDP MAY, IN THEIR ABSOLUTE DISCRETION, DEEM FIT.

2.2. Acceptance/Application through the CDP

If the Entitled Depositor wishes to accept the provisional allotment of Rights Shares and (if applicable) apply for Excess Rights Shares through the CDP, he must:

- (a) complete and sign the ARE. In particular, he must state in Part C(i) of the ARE the total number of Rights Shares provisionally allotted to him which he wishes to accept and the number of Excess Rights Shares applied for and in Part C(ii) of the ARE the 6 digits of the Cashier's Order/Banker's Draft; and

 - (ii) by post, **AT THE SENDER'S OWN RISK**, in the self-addressed envelope provided, to **CHINA STAR FOOD GROUP C/O THE CENTRAL DEPOSITORY (PTE) LIMITED, ROBINSON ROAD POST OFFICE, P.O. BOX 1597, SINGAPORE 903147**,

in each case so as to arrive not later than **5.00 p.m. on 14 May 2019** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

APPENDIX B – PROCEDURES FOR ACCEPTANCE, PAYMENT AND EXCESS APPLICATION BY ENTITLED DEPOSITORS

The payment for the relevant number of Rights Shares accepted and (if applicable) Excess Rights Shares applied for at the Issue Price must be made in Singapore currency in the form of a Cashier's Order or Banker's Draft drawn on a bank in Singapore and made payable to "**CDP – CHINA STAR FOOD RIGHTS ISSUE ACCOUNT**" and crossed "**NOT NEGOTIABLE, A/C PAYEE ONLY**" with the name and Securities Account number of the Entitled Depositor clearly written in block letters on the reverse side of the Cashier's Order or Banker's Draft.

NO COMBINED CASHIER'S ORDER OR BANKER'S DRAFT FOR DIFFERENT SECURITIES ACCOUNTS OR OTHER FORMS OF PAYMENT (INCLUDING THE USE OF A PERSONAL CHEQUE, POSTAL ORDER OR MONEY ORDER ISSUED BY A POST OFFICE IN SINGAPORE) WILL BE ACCEPTED.

2.3. Acceptance through the SGX-SFG Service (for Depository Agents only)

Depository Agents may accept the provisional allotment of Rights Shares and (if applicable) apply for Excess Rights Shares through the SGX-SFG service provided by the CDP as listed in Schedule 3 of the Terms and Conditions for User Services for Depository Agents. The CDP has been authorised by the Company to receive acceptances on its behalf. Such acceptances and (if applicable) applications will be deemed irrevocable and are subject to each of the terms and conditions contained in the ARE and this Offer Information Statement as if the ARE had been completed and submitted to the CDP.

2.4. Insufficient Payment

If no remittance is attached or the remittance attached is less than the full amount payable for the provisional allotment of Rights Shares accepted by the Entitled Depositor and (if applicable) the Excess Rights Shares applied for by the Entitled Depositor; the attention of the Entitled Depositor is drawn to paragraphs 1.3 and 5.2 of this Appendix B which sets out the circumstances and manner in which the Company and the CDP shall be authorised and entitled to determine and appropriate all amounts received by the CDP on the Company's behalf whether under the ARE, the ARS or any other application form for Rights Shares in relation to the Rights Issue.

2.5. Acceptance of Part of Provisional Allotments of Rights Shares and Trading of Provisional Allotments of Rights Shares

An Entitled Depositor may choose to accept his provisional allotment of Rights Shares specified in the ARE in full or in part. If an Entitled Depositor wishes to accept part of his provisional allotment of Rights Shares and trade the balance of his provisional allotment of Rights Shares on the SGX-ST, he should:

- (a) complete and sign the ARE for the number of Rights Shares provisionally allotted which he wishes to accept and submit the duly completed and original signed ARE together with payment in the prescribed manner as described in paragraph 2.2 above to the CDP; or
- (b) accept and subscribe for that part of his provisional allotment of Rights Shares by way of Electronic Application(s) in the prescribed manner as described in paragraph 2.1 or 2.3 above.

APPENDIX B – PROCEDURES FOR ACCEPTANCE, PAYMENT AND EXCESS APPLICATION BY ENTITLED DEPOSITORS

The balance of his provisional allotment of Rights Shares may be sold as soon as dealings therein commence on the SGX-ST.

Entitled Depositors who wish to trade all or part of their provisional allotments of Rights Shares on the SGX-ST during the provisional allotment trading period should note that the provisional allotments of Rights Shares will be tradable in board lots, each board lot comprising provisional allotments of 100 Rights Shares, or any other board lot size which the SGX-ST may require. Such Entitled Depositors may start trading in their provisional allotments of Rights Shares as soon as dealings therein commence on the SGX-ST. Entitled Depositors who wish to trade in lot sizes other than mentioned above may do so in the Unit Share Market of the SGX-ST during the provisional allotment trading period.

2.6. Sale of Provisional Allotments of Rights Shares

The ARE need not be forwarded to the Purchasers as arrangements will be made by the CDP for separate ARS to be issued to the Purchasers. Purchasers should note that the CDP will, for and on behalf of the Company, send the ARS, accompanied by this Offer Information Statement and other accompanying documents, **BY ORDINARY POST AND AT THE PURCHASERS' OWN RISK**, to their respective Singapore addresses as maintained in the records of the CDP. Purchasers should ensure that their ARSs are accurately completed and signed, failing which their acceptances of the provisional allotments of Rights Shares may be rejected. Purchasers who do not receive the ARS, accompanied by this Offer Information Statement and other accompanying documents, may obtain the same from the CDP or the Share Registrar, for the period up to **5.00 p.m. on 14 May 2019** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company). Purchasers should also note that if they make any purchase on or around the last trading day of the "nil-paid" Rights, this Offer Information Statement and its accompanying documents might not be despatched in time for the subscription of the Rights Shares. Purchasers may obtain a copy from the CDP. Alternatively, Purchasers may accept and subscribe by way of Electronic Applications in the prescribed manner as described in paragraph 2.1 above.

This Offer Information Statement and its accompanying documents will not be despatched to Foreign Purchasers. Foreign Purchasers who wish to accept the provisional allotments of Rights Shares credited to their Securities Accounts should make the necessary arrangements with their Depository Agents or stockbrokers in Singapore.

PURCHASERS SHOULD INFORM THEIR FINANCE COMPANIES OR DEPOSITORY AGENTS IF THEIR PURCHASES OF SUCH PROVISIONAL ALLOTMENTS OF RIGHTS SHARES ARE SETTLED THROUGH THESE INTERMEDIARIES. IN SUCH INSTANCES, IF THE PURCHASERS WISH TO ACCEPT THE RIGHTS SHARES REPRESENTED BY THE PROVISIONAL ALLOTMENTS OF RIGHTS SHARES PURCHASED, THEY WILL NEED TO GO THROUGH THESE INTERMEDIARIES, WHO WILL THEN ACCEPT THE PROVISIONAL ALLOTMENTS OF RIGHTS SHARES ON THEIR BEHALF.

2.7. Renunciation of Provisional Allotments of Rights Shares

Entitled Depositors who wish to renounce in full or in part their provisional allotments of Rights Shares in favour of a third party should complete the relevant transfer forms with the CDP (including any accompanying documents as may be required by the CDP) for the number of provisional allotments of Rights Shares which they wish to renounce. Such

APPENDIX B – PROCEDURES FOR ACCEPTANCE, PAYMENT AND EXCESS APPLICATION BY ENTITLED DEPOSITORS

renunciation shall be made in accordance with the “**Terms and Conditions for Operations of Securities Accounts with CDP**”, as the same may be amended from time to time, copies of which are available from the CDP. As the CDP requires at least three (3) Market Days to effect such renunciation, Entitled Depositors who wish to renounce are advised to do so early to allow sufficient time for the CDP to send the ARS and other accompanying documents, for and on behalf of the Company, to the Renounee by ordinary post and **AT HIS OWN RISK**, to his Singapore address as maintained in the records of the CDP and for the Renounee to accept his provisional allotments of Rights Shares. The last time and date for acceptance of the provisional allotments of Rights Shares and payment for the Rights Shares by the Renounee is **5.00 p.m. on 14 May 2019** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

3. COMBINATION APPLICATION

In the event that the Entitled Depositor or the Purchaser accepts his provisional allotments of Rights Shares by way of the ARE and/or the ARS and/or has applied for Excess Rights Shares by way of the ARE and also by way of Electronic Application(s), the Company and/or the CDP shall be authorised and entitled to accept his instructions in whichever mode or combination as the Company and/or the CDP may, in their/its absolute discretion, deem fit. Without prejudice to the generality of the foregoing, in such a case, the Entitled Depositor or the Purchaser shall be regarded as having irrevocably authorised the Company and/or the CDP to apply all amounts received whether under the ARE, the ARS and (if applicable) any other acceptance of Rights Shares provisionally allotted to him and/or application for Excess Rights Shares (including an Electronic Application(s)) in whichever mode or combination as the Company and/or the CDP may, in their/its absolute discretion, deem fit.

APPENDIX B – PROCEDURES FOR ACCEPTANCE, PAYMENT AND EXCESS APPLICATION BY ENTITLED DEPOSITORS

5.2. Appropriation

Without prejudice to paragraph 1.3 of this Appendix B, an Entitled Depositor should note that:

- (a) by accepting his provisional allotment of Rights Shares and/or applying for Excess Rights Shares, he acknowledges that, in the case where the amount of remittance payable to the Company in respect of his acceptance of the Rights Shares provisionally allotted to him and (if applicable) in respect of his application for Excess Rights Shares as per the instructions received by the CDP whether under the ARE, the ARS and/or in any other application form for Rights Shares in relation to the Rights Issue differs from the amount actually received by the CDP, the Company and the CDP shall be authorised and entitled to determine and appropriate all amounts received by the CDP on the Company's behalf for each application on its own whether under the ARE, the ARS and/or any other application form for Rights Shares in relation to the Rights Issue as follows: firstly, towards payment of all amounts payable in respect of his acceptance of the Rights Shares provisionally allotted to him; and secondly, (if applicable) towards payment of all amounts payable in respect of his application for Excess Rights Shares. The determination and appropriation by the Company and the CDP shall be conclusive and binding;
- (b) if the Entitled Depositor has attached a remittance to the ARE, the ARS and/or any other application form for Rights Shares in relation to the Rights Issue made through the CDP, he would have irrevocably authorised the Company and the CDP, in applying the amounts payable for his acceptance of the Rights Shares and (if applicable) his application for Excess Rights Shares, to apply the amount of the remittance which is attached to the ARE, the ARS, and/or any other application form for Rights Shares in relation to the Rights Issue made through the CDP; and
- (c) in the event that the Entitled Depositor accepts the Rights Shares provisionally allotted to him by way of the ARE and/or the ARS and/or has applied for Excess Rights Shares by way of the ARE and also by way of Electronic Application(s), the Company and/or the CDP shall be authorised and entitled to accept his instructions in whichever mode or combination as the Company and/or the CDP may, in their/its absolute discretion, deem fit. Without prejudice to the generality of the foregoing, in such a case, the Entitled Depositor shall be deemed as having irrevocably authorised the Company and/or the CDP to apply all amounts received whether under the ARE, the ARS and/or any other acceptance and/or application for Excess Rights Shares (including Electronic Application(s)) in whichever mode or combination as the Company and/or the CDP may, in their/its absolute discretion, deem fit.

5.3. Availability of Excess Rights Shares

The Excess Rights Shares available for application are subject to the terms and conditions contained in the ARE, this Offer Information Statement and (if applicable) the Constitution of the Company. Applications for Excess Rights Shares will, at the Directors' absolute discretion, be satisfied from such Rights Shares as are not validly taken up by the Entitled Shareholders, the original allottee(s) or their respective Renouncee(s) or the Purchaser(s) of the provisional allotments of Rights Shares together with the aggregated fractional entitlements to the Rights Shares, any unsold "nil-paid" provisional allotment of Rights Shares (if any) of Foreign Shareholders and any Rights Shares that are otherwise not

APPENDIX B – PROCEDURES FOR ACCEPTANCE, PAYMENT AND EXCESS APPLICATION BY ENTITLED DEPOSITORS

allotted for whatever reason in accordance with the terms and conditions contained in the ARE and this Offer Information Statement. In the event that applications are received by the Company for more Excess Rights Shares than are available, the Excess Rights Shares available will be allotted in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company. **THE CDP TAKES NO RESPONSIBILITY FOR ANY DECISION THAT THE DIRECTORS MAY MAKE.** In the allotment of Excess Rights Shares, preference will be given to the rounding of odd lots, and Directors and Substantial Shareholders who have control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Rights Issue, or have representation (direct or through a nominee) on the Board will rank last in priority for the rounding of odd lots and allotment of Excess Rights Shares. The Company will also not make any allotments or issuance of Rights Shares that will result in a transfer of Controlling Interest in the Company unless otherwise approved by Shareholders in a general meeting. The Company reserves the right to refuse any application for Excess Rights Shares, in whole or in part, without assigning any reason whatsoever. In the event that the number of Excess Rights Shares allotted to an Entitled Depositor is less than the number of Excess Rights Shares applied for, the Entitled Depositor shall be deemed to have accepted the number of Excess Rights Shares actually allotted to him.

If no Excess Rights Shares are allotted or if the number of Excess Rights Shares allotted is less than that applied for, the amount paid on application or the surplus application monies, as the case may be, will be refunded to such Entitled Depositors, without interest or any share of revenue or other benefit arising therefrom, within three (3) business days after the commencement of trading of the Rights Shares, by crediting their bank accounts with the relevant Participating Bank **AT THEIR OWN RISK** (if they had applied for Excess Rights Shares by way of an Electronic Application through an ATM of a Participating Bank), the receipt by such banks being a good discharge to the Company and the CDP of their obligations, if any, thereunder, or by means of a crossed cheque in Singapore currency drawn on a bank in Singapore and sent **BY ORDINARY POST AT THEIR OWN RISK** to their mailing address as maintained in the records of the CDP or in such other manner as they may have agreed with the CDP for the payment of any cash distributions (if they had applied for Excess Rights Shares through the CDP).

5.4. Deadlines

It should be particularly noted that unless:

- (a) acceptance of the provisional allotment of Rights Shares is made by the Entitled Depositors or the Purchasers (as the case may be) by way of an Electronic Application through an ATM of a Participating Bank and payment of the full amount payable for such Rights Shares is effected by **9.30 p.m. on 14 May 2019** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company); or
- (b) the duly completed and original signed ARE or ARS accompanied by a single remittance for the full amount payable for the relevant number of Rights Shares accepted and (if applicable) Excess Rights Shares applied for at the Issue Price, made in Singapore currency in the form of a Cashier's Order or Banker's Draft drawn on a bank in Singapore and made payable to "**CDP – CHINA STAR FOOD RIGHTS ISSUE ACCOUNT**" and crossed "**NOT NEGOTIABLE, A/C PAYEE ONLY**" with the names and Securities Account numbers of the Entitled Depositors or the Purchasers (as the case

RENUNCIATION, EXCESS APPLICATION AND PAYMENT
BY ENTITLED SCRIPHOLDERS**

1. INTRODUCTION

- 1.1. Acceptances of the provisional allotment of and any excess application for the Rights Shares must be made on the appropriate form(s) accompanying and forming part of this Offer Information Statement.
- 1.2. Entitled Scripholders are entitled to receive this Offer Information Statement with the following documents which are enclosed with, and are deemed to constitute a part of, this Offer Information Statement:

PAL incorporating:

Form of Acceptance	Form A
Request for Splitting	Form B
Form of Renunciation	Form C
Form of Nomination	Form D
Excess Rights Shares Application Form	Form E

- 1.3. The provisional allotment of the Rights Shares and application for Excess Rights Shares are governed by the terms and conditions of this Offer Information Statement, the PAL, and (if applicable) the Constitution of the Company. The number of Rights Shares provisionally allotted to Entitled Scripholders is indicated in the PAL (fractional entitlements, if any, to be disregarded). Entitled Scripholders may accept their provisional allotments of Rights Shares, in full or in part, and are eligible to apply for Rights Shares in excess of their entitlements under the Rights Issue.
- 1.4. Full instructions for the acceptance of and payment for the Rights Shares provisionally allotted to Entitled Scripholders and the procedures to be adopted should they wish to renounce, transfer or split their provisional allotments are set out in the PAL.
- 1.5. With regard to any acceptance and/or application which does not conform strictly to the instructions set out under this Offer Information Statement, the PAL, ARE, and the ARS and/or any other application form for the Rights Shares in relation to the Rights Issue or with the terms and conditions of this Offer Information Statement, or in the case of any application by the PAL, ARE, and the ARS, and/or any other application form for the Rights Shares in relation to the Rights Issue which is illegible, incomplete, incorrectly completed or which is accompanied by an improperly or insufficiently drawn remittance, the Company and/or Share Registrar may, at its absolute discretion, reject or treat as invalid any such application, payment and/or other process of remittances at any time after receipt in such manner as it may deem fit.
- 1.6. The Company and the Share Registrar shall be entitled to process each application submitted for the acceptance of Rights Shares, and where applicable, application of Excess Rights Shares in relation to the Rights Issue and the payment received in relation thereto, pursuant to such application, by an Entitled Scripholder or a Renouncee, on its own, without regard to any other application and payment that may be submitted by the same Entitled Scripholder or Renouncee. For the avoidance of doubt, insufficient payment for an application may render the application invalid; evidence of payment (or overpayment) in other applications shall not constitute, or be construed as, an affirmation of such invalid application and (if applicable) application for Excess Rights Shares.

**APPENDIX C – PROCEDURES FOR ACCEPTANCE, SPLITTING,
RENUNCIATION, EXCESS APPLICATION AND PAYMENT
BY ENTITLED SCRIPHOLDERS**

- 1.7. **THE FULL AMOUNT PAYABLE FOR THE RELEVANT NUMBER OF RIGHTS SHARES ACCEPTED/APPLIED FOR WILL BE ROUNDED UP TO THE NEAREST WHOLE CENT, IF APPLICABLE.**

Accordingly, the PALs will not be valid for delivery pursuant to trades done on the Catalist.**
- 1.9. Unless expressly provided to the contrary in this Offer Information Statement and/or the PAL, a person who is not a party to any contracts made pursuant to this Offer Information Statement and/or the PAL has no right under the Contracts (Rights of Third Parties) Act, Chapter 53B, of Singapore to enforce any term of such contracts. Notwithstanding any term contained in the PAL, the consent of any third party is not required for any subsequent agreement by the parties hereto to amend or vary (including any release or compromise of any liability) or terminate such contracts. Where third parties are conferred rights under such contracts, those rights are not assignable or transferable.

2. FORM OF ACCEPTANCE (FORM A)

2.1. Acceptance

An Entitled Scripholder, who wishes to accept his entire provisional allotment of Rights Shares or to accept any part of it and decline the balance, should:

- (a) complete the Form of Acceptance (Form A) for the number of Rights Shares which he wishes to accept; and
- (b) forward the PAL in its entirety, duly completed and signed, together with the remittance for the full amount due and payable on acceptance in the manner hereinafter prescribed to **CHINA STAR FOOD GROUP LIMITED C/O THE SHARE REGISTRAR, BOARDROOM CORPORATE & ADVISORY SERVICES PTE. LTD. 2.2. Insufficient Payment

If no remittance is attached or the remittance attached is less than the full amount payable for the provisional allotment of Rights Shares accepted by the Entitled Scripholder and (if applicable) the Excess Rights Shares applied for by the Entitled Scripholder; the attention of the Entitled Scripholder is drawn to paragraph 2.3 of this Appendix C which sets out the circumstances and manner in which the Company and the Share Registrar shall be entitled to determine the number of Rights Shares which the Entitled Scripholder has given instructions to accept.

APPENDIX C – PROCEDURES FOR ACCEPTANCE, SPLITTING, RENUNCIATION, EXCESS APPLICATION AND PAYMENT BY ENTITLED SCRIPHOLDERS

2.3. Appropriation

An Entitled Scripholder should note that by accepting his provisional allotment of Rights Shares, he acknowledges that, the Company and the Share Registrar, in determining the number of Rights Shares which the Entitled Scripholder has given instructions to accept, shall be authorised and entitled to have regard to the aggregate amount of payment received for the acceptance of Rights Shares, whether by way of Cashier's Order or Banker's Draft drawn on a bank in Singapore.

3. REQUEST FOR SPLITTING (FORM B) AND FORM OF RENUNCIATION (FORM C)

- 3.1. Entitled Scripholders who wish to accept a portion of their provisional allotments of Rights Shares and renounce the balance of their provisional allotments of Rights Shares, or who wish to renounce all or part of their provisional allotments of Rights Shares in favour of more than one person, should first, using the Request for Splitting (Form B), request to have their provisional allotments of Rights Shares under the PAL split into separate PALs (the “**Split Letters**”) according to their requirements. The duly completed Form B together with the PAL in its entirety should then be returned to **CHINA STAR FOOD GROUP LIMITED C/O THE SHARE REGISTRAR, BOARDROOM CORPORATE & ADVISORY SERVICES PTE. LTD. AT 50 RAFFLES PLACE, #32-01 SINGAPORE LAND TOWER, SINGAPORE 048623**, not later than **5.00 p.m. on 8 May 2019** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company). Split Letters will then be issued to Entitled Scripholders in accordance with their request. No Split Letters will be issued to Entitled Scripholders if Form B is received after **5.00 p.m. on 8 May 2019** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

The Company reserves the right to reject any request for Split Letters if, in the opinion of the Directors, the number of Rights Shares requested for in the Split Letters are in unreasonable denominations. The surrender of the PAL purported to be signed by an Entitled Scripholder shall be conclusive evidence in favour of the Company, the Share Registrar and any other person involved in the Rights Issue of the title of the person(s) lodging it, or on whose behalf it is lodged, to deal with the same and to receive Split Letter(s) and to have credited to that person's Securities Account with the CDP the Rights Shares allotted to him or, if relevant, to receive physical share certificate(s) and/or to receive any statement from the CDP and/or refund of acceptance or application monies. Instructions relating to acceptance, payment, renunciation, nomination and consolidation set out in the PAL shall apply to Split Letters received consequent upon the original provisional allotment of Rights Shares being split.

- 3.2. The Split Letters representing the number of Rights Shares which Entitled Scripholders intend to renounce may be renounced by completing the Form for Renunciation (Form C) before delivery to the Renounee(s). Entitled Scripholders should complete Form A of the Split Letter(s) representing that part of their provisional allotments of Rights Shares they intend to accept, if any. The said Split Letter(s) together with the remittance for the payment (if required) in the prescribed manner should be forwarded to **CHINA STAR FOOD GROUP LIMITED C/O THE SHARE REGISTRAR, BOARDROOM CORPORATE & ADVISORY SERVICES PTE. The surrender of the PAL purported to be signed by an Entitled Scripholder shall be conclusive evidence in favour of the Company, the Share Registrar and any other person involved in the Rights Issue of the title of the Renounee to deal with it and (if applicable) to receive Split Letters and to have credited to the Renounee's Securities Account with the CDP the Rights Shares renounced to him or, if relevant, to receive physical share certificate(s) for the Rights Shares and/or to receive any statement from the CDP and/or return or refund of surplus acceptance monies.

The Company reserves the right to refuse, in whole or in part, any application for Excess Rights Shares without assigning any reason whatsoever.
- 6.4. If no Excess Rights Shares are allotted to Entitled Scripholders or if the number of Excess Rights Shares allotted to them is less than that applied for, the amount paid on application or the surplus application monies, as the case may be, will be refunded to them by the Company without interest or any share of revenue or other benefit arising therefrom within 14 days after the Closing Date, **BY ORDINARY POST** to their mailing addresses as maintained with the Share Registrar **at their own risk**.

APPENDIX D – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATIONS THROUGH AN ATM OF A PARTICIPATING BANK

The procedures for Electronic Applications through ATMs of the Participating Banks are set out on the ATM screens of the relevant Participating Banks (the “**Steps**”).

Please read carefully the terms and conditions of this Offer Information Statement, the Steps and the terms and conditions for Electronic Applications set out below before making an Electronic Application. An ATM card issued by one (1) Participating Bank cannot be used to accept Rights Shares and (if applicable) apply for Excess Rights Shares at an ATM belonging to other Participating Banks. Any Electronic Application which does not strictly conform to the instructions set out on the screens of the ATM through which the Electronic Application is made will be rejected.

Any reference to the “**Applicant**” in the terms and conditions for Electronic Applications and the Steps shall mean the Entitled Depositor or his Renounee or the Purchaser of the provisional allotment who accepts or (as the case may be) who applies for the Rights Shares through an ATM of a Participating Bank. An Applicant must have an existing bank account with, and be an ATM cardholder of, one (1) of the Participating Banks before he can make an Electronic Application through an ATM of that Participating Bank. The actions that the Applicant must take at ATMs of the Participating Banks are set out on the ATM screens of the relevant Participating Banks. Upon the completion of his Electronic Application transaction, the Applicant will receive an ATM transaction slip (the “**Transaction Record**”), confirming the details of his Electronic Application. The Transaction Record is for retention by the Applicant and should not be submitted with any ARE or ARS.

An Applicant, including one who has a joint bank account with a Participating Bank, must ensure that he enters his own Securities Account number when using the ATM card issued to him in his own name. Using his own Securities Account number with an ATM card which is not issued to him in his own name will render his acceptance or (as the case may be) Excess Application liable to be rejected.

The Electronic Application shall be made on, and subject to, the terms and conditions of this Offer Information Statement including, but not limited to, the terms and conditions appearing below:

1. In connection with his Electronic Application for the Rights Shares, the Applicant is required to confirm statements to the following effect in the course of activating the ATM for his Electronic Application:
 - (a) that he has received a copy of this Offer Information Statement and has read, understood and agreed to all the terms and conditions of acceptance and (as the case may be) application for the Rights Shares under the Rights Issue and this Offer Information Statement prior to effecting the Electronic Application and agrees to be bound by the same; and
 - (b) that he consents to the disclosure of his name, NRIC/passport number, address, nationality, CDP Securities Account number, SRS account number and application details (the “**Relevant Particulars**”) from his account with that Participating Bank to the Share Registrar, Securities Clearing & Computer Services (Pte) Ltd, the CDP, the SGX-ST and the Company (the “**Relevant Parties**”).

APPENDIX D – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATIONS THROUGH AN ATM OF A PARTICIPATING BANK

His application will not be successfully completed and cannot be recorded as a completed transaction in the ATM unless he presses the “**Enter**” or “**OK**” or “**Confirm**” or “**Yes**” key, as the case may be. By doing so, the Applicant shall be treated as signifying his confirmation of each of the two (2) statements above. In respect of statement 1(b) above, his confirmation, by pressing the “**Enter**” or “**OK**” or “**Confirm**” or “**Yes**” key, as the case may be, shall signify and shall be treated as his written permission, given in accordance with the relevant laws of Singapore including Section 47(2) and the Third Schedule of the Banking Act, Chapter 19, of Singapore to the disclosure by that Participating Bank of the Relevant Particulars of his account with that Participating Bank to the Relevant Parties.

2. An Applicant may make an Electronic Application through an ATM of any Participating Bank for the Rights Shares using cash only by authorising such Participating Bank to deduct the full amount payable from his bank account with such Participating Bank.
3. The Applicant irrevocably agrees and undertakes to subscribe for and to accept up to the aggregate of the number of Rights Shares provisionally allotted and Excess Rights Shares applied for as stated on the Transaction Record or the number of Rights Shares standing to the credit of the “**Free Balance**” of his Securities Account as at the Closing Date. In the event that the Company decides to allot any lesser number of Excess Rights Shares or not to allot any number of Excess Rights Shares to the Applicant, the Applicant agrees to accept the decision as final and binding.
4. If the Applicant’s Electronic Application is successful, his confirmation (by his action of pressing the “**Enter**” or “**OK**” or “**Confirm**” or “**Yes**” key, as the case may be, on the ATM) of the number of Rights Shares accepted and/or Excess Rights Shares applied for shall signify and shall be treated as his acceptance of the number of Rights Shares accepted and/or Excess Rights Shares applied for that may be allotted to him.
5. In the event that the Applicant accepts the Rights Shares by way of the ARE and/or the ARS (as the case may be) and/or by way of acceptance through the Electronic Application through an ATM of a Participating Bank, the Company and/or the CDP shall be authorised and entitled to accept the Applicant’s instructions in whichever mode or a combination thereof as the Company and/or the CDP may, in their/its absolute discretion, deem fit. In determining the number of Rights Shares which the Applicant has validly given instructions to accept, the Applicant shall be deemed to have irrevocably given instructions to accept the lesser of the number of provisionally allotted Rights Shares which are standing to the credit of his Securities Account as at the Closing Date and the aggregate number of Rights Shares which have been accepted by the Applicant by way of the ARE and/or the ARS (as the case may be) and by Electronic Application through an ATM of a Participating Bank. The Company and/or the CDP, in determining the number of Rights Shares which the Applicant has validly given instructions to accept, shall be authorised and entitled to have regard to the aggregate amount of payment received for the acceptance of Rights Shares, whether by way of Cashier’s Order or Banker’s Draft drawn on a bank in Singapore accompanying the ARE and/or the ARS, or by way of the acceptance through Electronic Application through an ATM of a Participating Bank.
6. If applicable, in the event that the Applicant applies for Excess Rights Shares by way of ARE and by Electronic Application through an ATM of a Participating Bank, the Company and/or the CDP shall be authorised and entitled to accept the Applicant’s instructions in whichever mode or a combination thereof as the Company and/or the CDP may, in their/its absolute

discretion, deem fit. In determining the number of Excess Rights Shares which the Applicant has validly given instructions for the application of, the Applicant shall be deemed to have irrevocably given instructions to apply for and agreed to accept such number of Excess Rights Shares not exceeding the aggregate number of Excess Rights Shares for which he has applied by way of ARE and by way of application through Electronic Application through an ATM of a Participating Bank. The Company and/or the CDP, in determining the number of Excess Rights Shares which the Applicant has given valid instructions for the application, shall be authorised and entitled to have regard to the aggregate amount of payment received for the application of the Excess Rights Shares, whether by way of Cashier's Order or Banker's Draft drawn on a bank in Singapore accompanying the ARE, or by way of application through Electronic Application through an ATM of a Participating Bank.

7. The Applicant irrevocably requests and authorises the Company to:
 - (a) register or to procure the registration of the Rights Shares and (if applicable) the Excess Rights Shares allotted to the Applicant in the name of the CDP for deposit into his Securities Account;
 - (b) return (without interest or any share of revenue or other benefit arising therefrom) the acceptance/application monies, should his Electronic Application in respect of the Rights Shares and/or Excess Rights Shares applied for not be accepted by the Company for any reason, by automatically crediting the Applicant's bank account with his Participating Bank with the relevant amount within 14 days after the Closing Date; and
 - (c) return (without interest or any share of revenue or other benefit arising therefrom) the balance of the application monies, should his Electronic Application for Excess Rights Shares be accepted in part only, by automatically crediting the Applicant's bank account with his Participating Bank with the relevant amount within 14 days after the Closing Date.
8. **BY MAKING AN ELECTRONIC APPLICATION, THE APPLICANT CONFIRMS THAT HE IS NOT ACCEPTING/APPLYING FOR THE RIGHTS SHARES AS A NOMINEE OF ANY OTHER PERSON.**
9. The Applicant irrevocably agrees and acknowledges that his Electronic Application is subject to risks of electrical, electronic, technical and computer-related faults and breakdowns, fires, acts of God, mistakes, losses and theft (in each case whether or not within the control of the CDP, the Participating Banks, the Company, and/or the Share Registrar) and any events whatsoever beyond the control of the CDP, the Participating Banks, the Company and/or the Share Registrar, and if, in any such event, the CDP, the Participating Banks, the Company and/or the Share Registrar do not record or receive the Applicant's Electronic Application by **9.30 p.m. on 14 May 2019**, or such data or the tape containing such data is lost, corrupted, destroyed or not otherwise accessible, whether wholly or partially for whatever reason, the Applicant shall be deemed not to have made an Electronic Application and the Applicant shall have no claim whatsoever against the CDP, the Participating Banks, the Company, and/or the Share Registrar for any purported acceptance thereof and (if applicable) Excess Application therefor, or for any compensation, loss or damage in connection therewith or in relation thereto.

An Electronic Application may also be accepted in part, in which case the balance amount of acceptance/application monies will be refunded on the same terms.
15. In consideration of the Company arranging for the Electronic Application facility through the ATMs of the Participating Banks and agreeing to close the Rights Issue at **9.30 p.m. on 14 May 2019** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company), and by making and completing an Electronic Application, the Applicant agrees that:
 - (a) his Electronic Application is irrevocable (whether or not, to the extent permitted by law, any supplementary document or replacement document referred to in Section 241 of the SFA is lodged with the Authority);

- (e) in respect of the Rights Shares and/or Excess Rights Shares for which his Electronic Application has been successfully completed and not rejected, acceptance of the Applicant's Electronic Application shall be constituted by written notification by or on behalf of the Company and not otherwise, notwithstanding any payment received by or on behalf of the Company; and
 - (f) unless expressly provided to the contrary in this Offer Information Statement or the Electronic Application with respect to enforcement against the Applicant, a person who is not a party to any contracts made pursuant to this Offer Information Statement or the Electronic Application has no rights under the Contracts (Rights of Third Parties) Act, Chapter 53B, of Singapore to enforce any term of such contracts. Notwithstanding any term contained in this Offer Information Statement or the Electronic Application, the consent of any third party is not required for any subsequent agreement by the parties hereto to amend or vary (including any release or compromise of any liability) or terminate such contracts. Where third parties are conferred rights under such contracts, those rights are not assignable or transferable.
16. The Applicant should ensure that his personal particulars as recorded by both the CDP and the relevant Participating Banks are correct and identical, otherwise, his Electronic Application may be liable to be rejected. The Applicant should promptly inform the CDP of any change in his address, failing which the notification letter on successful allotment and other correspondence will be sent to his address last registered with the CDP.
17. The existence of a trust will not be recognised. Any Electronic Application by an Applicant must be made in his own name and without qualification. The Company will reject any application by any person acting as nominee.

APPENDIX D – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATIONS THROUGH AN ATM OF A PARTICIPATING BANK

22. The Company and/or the CDP shall be entitled to process each application submitted for the acceptance of Rights Shares, and where applicable, application of Excess Rights Shares in relation to the Rights Issue and the payment received in relation thereto, pursuant to such application, by an Entitled Shareholder, on its own, without regard to any other application and payment that may be submitted by the same Entitled Shareholder. For the avoidance of doubt, insufficient payment for an application may render the application invalid; evidence of payment (or overpayment) in other applications shall not constitute, or be construed as, an affirmation of such invalid application and (if applicable) application for Excess Rights Shares.
