- (3) THE PLACEMENT OF 100,000,000 SUBSCRIPTION SHARES TO PTS CAPITAL PTE. LTD.

1. INTRODUCTION

1.1 Purpose of this Circular

1.1.1 The Directors are convening the EGM to be held by way of electronic means to seek Shareholders' approval for the following:

- (a) the Proposed Placement (Ordinary Resolution 1);
- (b) as part of the Proposed Placement:
 - (i) the issuance and allotment of 60,000,000 Subscription Shares to Mr Liang Chengwang, who is the Executive Chairman, Chief Executive Officer and Controlling Shareholder of the Company (Ordinary Resolution 2);
 - (ii) the issuance and allotment of 20,000,000 Subscription Shares to Ms Duanmu Xiaoyi, who is an Executive Director and existing Shareholder of the Company (Ordinary Resolution 3); and
 - (iii) the issuance and allotment of 100,000,000 Subscription Shares to PTS Capital Pte. Ltd., who is an existing Substantial Shareholder of the Company (Ordinary Resolution 4),

(collectively, the "**Proposed Resolutions**").

1.1.2 The purpose of Circular is to provide Shareholders with information relating to the Proposed Resolutions, and to seek Shareholders' approval in relation thereto at the EGM. The Notice of EGM is set out on pages N-1 to N-5 of this Circular.

LETTER TO SHAREHOLDERS

- 1.1.3 Shareholders should note that Ordinary Resolutions 1, 2, 3 and 4 are inter-conditional upon the passing of one another. This means that if any of the Proposed Resolutions are not approved by Shareholders at the EGM, none of the Proposed Resolutions would be passed.

2. THE PROPOSED PLACEMENT

2.1 Background

- 2.1.1 On 21 September 2021, the Company had announced that it had, *inter alia*, entered into the Subscription Agreements with each of the Subscribers for the subscription of an aggregate of 500,000,000 Subscription Shares at the issue price of S\$0.024 per Subscription Share, for an aggregate consideration of S\$12,000,000, on the terms and conditions of the Subscription Agreements.

- 2.1.2 To proceed with the Proposed Placement, specific approval from Shareholders is being sought at the EGM.

2.2 Rationale of the Proposed Placement

- 2.2.1 To fulfil the paid-up share capital requirement of the Company's subsidiary, Fujian Zixin Biological Potato Co., Ltd.

- (a) The Company intends to use a portion of the Net Cash Proceeds amounting to approximately S\$5,200,000 to fulfil the outstanding unpaid share capital of Fujian Zixin an indirect wholly-owned subsidiary of the Company. Fujian Zixin has an authorised share capital of RMB80,000,000, and as at the Latest Practicable Date, a paid-up capital of RMB55,053,043. The remaining share capital required to fulfil the capital requirement of Fujian Zixin is RMB24,946,958 (or approximately S\$5,240,957.56 based on the MAS Currency Exchange Rate), which represents approximately 31.18% of Fujian Zixin's total registered capital (the "**Share Capital Requirement**").
- (b) Fujian Zixin is a company incorporated on 6 July 2009 in Liancheng County, Longyan, Fujian Province, PRC, and is a wholly-owned subsidiary of Zixin International. Zixin International is, in turn, a company incorporated in Singapore and the Company's wholly-owned subsidiary and accordingly Fujian Zixin is a wholly foreign-owned entity. The Group operates, through Fujian Zixin, three wholly-owned indirect subsidiaries, Fujian Zilaohu Food Co., Ltd., Liancheng Dizhongbao Modern Agriculture Development Co., Ltd., and Fujian Xingpai Food Co., Ltd.
- (c) The Company intends to use the aforementioned portion of the Net Cash Proceeds to fulfil the Share Capital Requirement. This is consistent with the Company's announcement dated 10 December 2018 which sets out, *inter alia*, the partial capital contribution to Fujian Zixin using the net proceeds from the rights issue conducted in April 2019 (the "**Rights Issue**"). Pursuant to the Rights Issue, the Company had previously utilised S\$3,500,000 to partially fulfil the Share Capital Requirement.
- (d) Whilst Fujian Zixin has previously obtained an extension to the deadline to satisfy the Share Capital Requirement by 10 June 2024, a significant proportion of Share Capital Requirement remains outstanding. Should the Share Capital Requirement not be satisfied in accordance with the deadline set out in Fujian Zixin's Articles of Association, the Industry and Commerce Bureau of the PRC has the right to demand satisfaction of the Share Capital Requirement by the Company and additional fines may be levied (pursuant to Article 199 of the Company Law (of the PRC)). Furthermore, should Fujian Zixin be unable to pay its debts timely, its creditors would be entitled to make a claim in the local courts requiring the shareholder who has not fulfilled or fully fulfilled its capital contribution obligation to bear additional liabilities, to the extent of the principal and interest of the capital not contributed by it, for compensating the debts of the company that are unable to be repaid (pursuant to Article 13 of Provisions of the Supreme People's Court on Several Issues concerning the Application of the Company Law (III) (of the PRC)). If either of the abovementioned scenarios materialise, it would negatively impact the reputation or business operations of Fujian Zixin. Consequently, the

LETTER TO SHAREHOLDERS

financial health and operations of Group and the Company would be adversely affected as Fujian Zixin generates a significant proportion of the Group's income and revenue.

- (e) Having considered the above, the Board is of the view that it would be in the Company's best interest to ensure that the Share Capital Requirement is completely paid up using the proportion of Net Cash Proceeds as set out above.
- (f) The aforementioned proportion of Net Cash Proceeds will ultimately be used by Fujian Zixin for the purposes of funding the upcoming advance payments to sweet potato suppliers (under Liancheng Dizhongbao) under existing contractual obligations, which is part of the Group's long-term supply contracts to secure raw sweet potato supplies.

2.2.2 Future expansion of the Group's business in Singapore

- (a) The Company intends to, in furtherance of the Group's business relating to the cultivation, research and development, as well as processing of sweet potatoes, expand the operations of the Singapore office of the Group through the establishment of an import and export function relating to sweet potatoes and sweet potato related products, thereby further expanding its comprehensive supply chain.
- (b) Expanding the business of the Group has always been the main priority of the Company as it could potentially create more value and returns to the Shareholders. At present, the Group has not reached its full production capacity, and with the ongoing project involving the construction of the factory in Fujian province (please refer to the Company's announcements on 22 January 2021 and 17 August 2021 for more details), the Group has plans to increase its range of products. Therefore, the Company has plans to explore business opportunities outside of the PRC so as to further maximise its current and projected production capacities. The Company is of the view that healthier foods and snacks are increasingly becoming a priority choice of the public and that the lack of healthy sweet potato related products in the Southeast Asia region is a potential business opportunity for the Company.
- (c) The Company currently plans to collaborate with local distributors to bring the Group's sweet potato related products to Singapore. When such distribution channels have developed and are deemed to be stable and mature, the Company intends to explore exporting its products to nearby regional countries such as Malaysia, Indonesia and Thailand. Should the opportunity arise, the Company may consider exporting suitable products, not limited to sweet potato related products, from the Southeast Asia region to the PRC for sale and distribution to expand its market share in its existing and new industries.
- (d) At this juncture, the Company is considering to either incorporate a new company or to acquire an existing company in Singapore to carry out the expansion of business in the Southeast Asia region. The Company is currently speaking to various stakeholders to finalise its plans in relation to the above, with discussions still in the early stages and of a confidential nature. Such expansion plans are still at a preliminary stage and may be subject to change as the Company deems appropriate. The Company will inform Shareholders of material developments as and when they occur by announcing such information via the SGXNET.

2.2.3 General working capital of the Group

- (a) The Group intends to use part of the Net Cash Proceeds for its working capital purposes including funding, *inter alia*, administrative expenses, employees' benefits and wages, other operating expenses as well as other future expansions which the Directors deem to be in the interest of the Company and the Group.
- (b) Further, the Proposed Placement is part of the Company's ongoing and prudent balance sheet management to strengthen its financial position, enlarge its capital base and further enhance the financial flexibility of the Group.

LETTER TO SHAREHOLDERS

2.3 Issue Price

The Issue Price of S\$0.024 is equivalent to the volume weighted average price per Share, based on trades done on the SGX-ST on 21 September 2021, being the last full market day on which the Shares of the Company were traded preceding the date and up to the time the Subscription Agreements were signed.
