1. INTRODUCTION

1.1 The board of directors (the "**Board**" or the "**Directors**") of Zixin Group Holdings Limited (formerly known as China Star Food Group Limited) (the "**Company**" and together with its subsidiaries, the "**Group**") refers to the Company's announcement dated 31 October 2022 (the "**EOT Application Announcement**") in relation to the Company's application to the SGX-ST for the following extensions of time to comply with the requirements of Catalist Rules 707(1) and 711A respectively:

- (a) from 16 July 2022 to 16 March 2023 to issue the Company's annual report for FY2022 ("**FY2022 AR**");
- (b) from 31 August 2022 to 16 March 2023 to issue the Company's sustainability report for FY2022 ("**FY2022 SR**") which will be contained in the FY2022 AR; and
- (c) from 31 July 2022 to 31 March 2023 to hold the Company's annual general meeting ("**AGM**") for FY2022 ("**FY2022 AGM**"),

(collectively, (the "**Extensions**")).

2. GRANT OF WAIVER AND CONDITIONS

2.1 The Board wishes to inform shareholders of the Company that the SGX-ST had on 17 November 2022 informed the Company, through its continuing sponsor Novus Corporate Finance Pte. Ltd., that the SGX-ST has no objection to the Company's application for the following extensions of time:

- (a) till 31 March 2023 for the Company to hold its FY2022 AGM with regard to compliance with Catalist Rule 707(1); and
- (b) till 16 March 2023 for the Company to issue its FY2022 SR as part of its FY2022 AR,

(collectively, the “**Waivers**”).

2.2 The Waivers are subject to the following conditions:

- (a) the Company announcing the Waivers granted, the reasons for seeking the Waivers, the conditions as required under Rule 106 of the Catalist Rules, and if the Waivers’ conditions have been satisfied. If the Waivers’ conditions have not been met on the date of the announcement, the Company must make an update announcement when the conditions have all been met;
- (b) the Board of Directors’ confirmation that the Waivers will not be in contravention of any laws and regulations governing the Company and its constitution (or the equivalent in the Company’s country of incorporation); and
- (c) the Company convening its FY2022 AGM by 31 March 2023,

(each, a “**Waiver Condition**” and collectively, the “**Waiver Conditions**”).

2.3 The Waivers will not be valid if any of the Waiver Conditions have not been fulfilled. To this end, the Board confirms that the Waivers will not be in contravention of any laws and regulations governing the Company and its constitution.

2.4 The Board confirms that the Company (i) has complied with the Waiver Conditions set out in paragraphs 2.2 (a) and 2.2(b) above, and (ii) will be convening its FY2022 AGM by 31 March 2023 in compliance with the Waiver Condition set out in paragraph 2.2(c) above.

3. RATIONALE FOR THE EOT APPLICATION

3.1 As set out in the EOT Application Announcement, the Company had submitted the EOT Application to the SGX-ST to seek the Waivers for the following reasons:

- (a) As a result of the Incident and the Withdrawal (which are set out in full in the EOT Application Announcement), additional time and effort had to be first expended to approach various potentially suitable audit firms and obtain their quotations for the Board’s deliberation. However due to the nature of this audit engagement being on such short notice, as mentioned above, the audit firms approached by the Company either were fully occupied with existing engagements or did not have sufficient available manpower to be engaged by the Company. Consequently, the Company had to then expend further time and effort to (i) hold discussions with RT LLP about the possibility of continuing to act as the auditors of the Company and Group, (ii) to assess and be satisfied with the suitability and competence of RT LLP in consultation with the Sponsor, and (iii) to hold further discussions with RT LLP in relation to the timeline for the FY2022 Audit;
- (b) As a result of the earlier Proposed Change of Auditor, the subsequent Discontinuation and the Withdrawal, the FY2022 Audit had not commenced at the time of the EOT Application Announcement. As a result, RT LLP was only be able to commence the FY2022 Audit sometime around the end of October 2022;

- (c) In the course of planning the timeline for the FY2022 Audit, the Company and RT LLP had considered, among others, (i) RT LLP’s manpower resources to be allocated for the FY2022 Audit and (ii) the prevailing COVID-19 travel restrictions to and throughout the various provinces in China. As a result, the Company expects that more time would be required to complete the statutory audits of the China Subsidiaries;
- (d) Based on its discussions with RT LLP and taking into consideration the aforementioned, the Company understands that RT LLP would require at least three (3) months to complete the FY2022 Audit, including the statutory audits of the China Subsidiaries, as well as for the first draft of the audit report for FY2022 (the “**Audit Report**”) to be prepared and circulated to the Company and relevant parties for review. Additional time would also be needed to complete the administrative and procedural matters in relation to the preparation and issuance of the FY2022 AR (including the FY2022 SR), as well as to conduct the FY2022 AGM; and
- (e) The Company’s sustainability disclosure has typically been included in its annual report in prior years, and the Company intends to follow the same timeline and work arrangements in terms of preparing the FY2022 SR. Given that (i) the Company’s sustainability report traditionally makes reference to its annual report to allow shareholders a comprehensive review of the Company’s activities in the past financial year, and (ii) certain information and data contained in the sustainability report, such as but not limited to the corporate governance and economic performance sections of the FY2022 SR, make reference to or are based on the corporate governance report which will be contained in the FY2022 AR and the audited financial statements for FY2022, the Company’s sustainability report should be read together with the annual report. Consequently, the additional time required to issue the FY2022 AR as a result of the abovementioned would lead to additional time required for the Company to prepare and issue its FY2022 SR which will be contained within the FY2022 AR; and
- (f) Based on the foregoing, an indicative timeline for the completion of key events leading to the FY2022 AGM is set out in paragraph 4 below.

3.2 In light of the foregoing, the Extensions were sought to allow sufficient time (i) for RT LLP to complete the FY2022 Audit, so as to maintain the quality of the audited financial statements for FY2022 and the FY2022 AR (including the FY2022 SR), and (ii) for the Company to conduct the FY2022 AGM.
