### 1.7. Legal Advisers

Aquinas Law Alliance LLP is the legal adviser to the Company as to Singapore law in relation to this Circular.

## 2. PROPOSED ADOPTION OF THE PSP 2025

### 2.1. Rationale

- 2.1.1. The Company places strong emphasis on the recruitment and retention of quality employees with talent in all areas of the Group's operations, and in particular, employees with the requisite drive, leadership skills, expertise and experience. The Company considers these to be requisite qualities that will facilitate the Group's realisation of its strategic and long-term business goals.
- 2.1.2. The PSP 2025 is primarily a share incentive scheme. The PSP 2025 will provide the Company with the means to use performance share awards as part of its remuneration package to attract and retain such persons that satisfy the eligibility criteria as set out in the PSP 2025, namely Group Employees (including Group Executive Directors) and Group Non-Executive Directors (including Independent Directors). Aside from providing flexibility for the Group's remuneration packages, the PSP 2025 would allow the Group to better manage its fixed overheads. The PSP 2025 would also give Participants the opportunity to have a personal stake in the Company.

---

## LETTER TO SHAREHOLDERS

---

2.1.3. In addition to the above, the PSP 2025 is also intended to help achieve the following objectives:

- (a) to attract potential employees with relevant skills to contribute to the Group and to create value for Shareholders;
- (b) to motivate the Participants to achieve higher efficiency and productivity, and improve the performance of the Group and its businesses;
- (c) to instill loyalty to, and a stronger identification by the Participants with the long-term prosperity of the Group;
- (d) to align the interests of Participants to those of Shareholders;
- (e) to retain key employees of the Group whose contributions are essential to the long-term prosperity of the Group; and
- (f) to give recognition to the contributions made by the Participants to the success of the Group.

2.1.4. Please also refer to paragraphs 3.1.3 to 3.1.9 for other rationale.

### 2.2. Summary Rules of the PSP 2025

A summary of the rules of the PSP 2025 is set out below. The rules of the PSP 2025 are set out in **Annex A** of this Circular.

### Limitations under the PSP 2025

- 2.2.5. The total number of Shares which may be delivered pursuant to the vesting of Awards on any date, when added to the aggregate number of Shares issued and/or issuable in respect of (a) all Awards granted under the PSP 2025; and (b) all other Shares issued and/or issuable under any other share-based incentive schemes or share plans of the Company, shall not exceed fifteen per cent. (15%) of the total number of issued Shares (excluding treasury shares and subsidiary holdings) of the Company on the day immediately preceding the date of grant of the Awards. Any Award which has already been granted shall not be invalidated in the event that a reduction of the Company's capital or a buyback of its Shares (if applicable) results in the Shares issuable and/or transferable under outstanding Awards exceeding fifteen per cent. (15%) of the Company's issued Shares (excluding treasury shares and subsidiary holdings).
- 2.2.6. The aggregate number of Shares available to the Controlling Shareholders or associates of the Controlling Shareholders (including adjustments made in accordance with the rules of the PSP 2025) shall not exceed twenty-five per cent. (25%) of the Shares available under the PSP 2025.
- 2.2.7. The number of Shares available to each Controlling Shareholder or associate of the Controlling Shareholder (including adjustments made in accordance with the rules of the PSP 2025) shall also not exceed ten per cent. (10%) of the Shares available under the PSP 2025.

### Date of Grant

- 2.2.8. The Company may grant Awards at any time in the course of a financial year during the period in which the PSP 2025 is in force, except that no Award shall be granted during the period commencing:
- (a) two (2) weeks before the announcement of the Company's financial statements for each of the first three (3) quarters of its financial year and one (1) month before the announcement of the Company's full year financial statements (if the Company announces quarterly financial statements, whether required by the SGX-ST or otherwise); or
  - (b) one (1) month before the announcement of the Company's half year and full year financial statements (if the Company does not announce quarterly financial statements).
- 2.2.9. In the event that an announcement by the Company on any matter of any exceptional nature involving unpublished price sensitive information is imminent, offers to grant Awards may only be made on or after the second Market Day on which the aforesaid announcement is made.
- 2.2.10. There is no minimum vesting period for the Shares to be granted under the PSP 2025.

### Performance Target

- 2.2.11. The Committee shall, in its absolute discretion, determine the relevant Performance Target(s) for each Participant, and such Performance Target(s) shall be specified in the Award letter.
- 2.2.12. The Performance Targets will be set by the Committee depending on each individual Participant's job scope and responsibilities.

### Award

- 2.2.13. The selection of the Participants and number of Shares which are the subject of each Award to be granted to a Participant in accordance with the PSP 2025 shall be determined at the absolute discretion of the Committee, which shall take into account criteria such as, inter alia, the rank, scope of responsibilities, performance, years of service and potential for future development and contribution to the success of the Group.

---

## LETTER TO SHAREHOLDERS

---

2.2.14. As soon as reasonably practicable after an Award is finalised by the Committee, the Committee shall send an Award letter to the Participant confirming the said Award. The said Award letter shall specify, *inter alia*, the following:

- (a) in relation to a performance-related Award, the Performance Targets for the Participant and the period during which the Performance Targets shall be met;
- (b) the number of Shares to be vested on the Participant; and
- (c) the date by which the Award shall be vested.

2.2.15. The Committee shall take into account various factors when determining the method to arrive at the exact number of Shares comprised in an Award. Such factors include, but are not limited to, the current price of the Shares, the total issued share capital of the Company and the predetermined dollar amount which the Committee decides that a Participant deserves for meeting his Performance Targets. For example, Shares may be awarded based on predetermined dollar amounts such that the quantum of Shares comprised in Awards is dependent on the closing price of Shares transacted on the Market Day the Award is vested. Alternatively, the Committee may decide absolute numbers of Shares to be awarded to Participants irrespective of the price of the Shares. The Committee shall monitor the grant of Awards carefully to ensure that the size of the PSP 2025 will comply with the relevant rules of the Catalist Rules.

### Vesting of the Awards

2.2.16. Notwithstanding that a Participant may have met his Performance Targets, no Award shall be vested:

- (a) upon the bankruptcy of the Participant or the happening of any other event which results in his being deprived of the legal or beneficial ownership of such Award;
- (b) in the event of any misconduct on the part of the Participant as determined by the Committee in its discretion;
- (c) subject to paragraph 2.2.17, paragraph 2.2.18 or paragraph 2.2.19 of this Circular, upon the Participant ceasing to be in the employment of the Group for any reason whatsoever; or
- (d) in the event that the Committee shall, at its discretion, deem it appropriate that such Award to be given to a Participant shall so lapse on the grounds that any of the objectives of the PSP 2025 have not been met.

For the purpose of paragraph 2.2.16(c), a Participant shall be deemed to have ceased to be so employed as of the date the notice of termination of employment is tendered by or is given to him, unless such notice shall be withdrawn prior to its effective date.

2.2.17. If a Participant ceases to be so employed in any of the following events, namely:

- (a) through ill health, injury or disability (in each case, evidenced to the satisfaction of the Committee);
- (b) redundancy;
- (c) death;
- (d) retirement at or after the legal retirement age;
- (e) retirement before the legal retirement age with the consent of the Committee; or
- (f) any other event approved by the Committee,

all or any part of the Award may, at the absolute discretion of the Committee, continue to vest on the date stated in the Award letter.

---

## LETTER TO SHAREHOLDERS

---

2.2.18. If a Participant ceases to be employed by a company within the Group:

- (a) by reason of such company, by which he is principally employed, ceasing to be a company within the Group or the undertaking or part of the undertaking of such member, being transferred otherwise than to another company within the Group; or
- (b) for any other reason, provided the Committee gives its consent in writing,

all or any part of the Award may, at the absolute discretion of the Committee, continue to vest on the date stated in the Award letter.

2.2.19. If a Participant, who is also a Group Executive Director or a Group Non-Executive Director (including an Independent Director), ceases to be a director for any reason whatsoever save for misconduct on the part of the Participant as determined by the Committee in its discretion, any unvested Award may, at the absolute discretion of the Committee, continue to vest on the date stated in the Award letter.

### Shares pursuant to the Award

2.2.20. Subject to:

- (a) such consents or other actions required by any competent authority under any regulations or enactments for the time being in force as may be necessary (including any approvals required from the SGX-ST); and
- (b) compliance with the Catalist Rules, and the Constitution, the Company shall within 1 (one) month after the vesting of an Award, allot and issue or transfer the relevant Shares and deliver the relevant share certificates to CDP for the crediting of the securities account of that Participant by ordinary post or such other mode of delivery as the Committee may deem fit.

2.2.21. The Company shall, apply to the SGX-ST or any other stock exchange on which the Shares are quoted or listed for permission to deal in and for quotation of the Shares which may be issued or transferred upon vesting of the Award and the Shares (if any) which may be issued or transferred to the Participant pursuant to any adjustments made in accordance with the rules of the PSP 2025.

2.2.22. Shares which are allotted or transferred on the vesting of an Award issued or transferred, as the Participant may elect, in the name of CDP to the credit of the securities account of the Participant maintained with CDP, or to the Participant's securities sub-account with a Depository Agent, or if such securities account is not available, in the name of the Participant.

2.2.23. Shares allotted and issued or transferred upon the vesting of an Award shall be subject to all provisions of the Constitution and shall rank pari passu in all respects with the then existing issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company except for any dividends, rights, allotments or other distributions, the record date for which falls on or before the relevant vesting date of the Award.

2.2.24. Except as set out in the rules of the PSP 2025, an Award does not confer on a Participant any right to participate in any new issue of Shares.

2.2.25. The Company shall keep available sufficient unissued Shares (or treasury shares) to satisfy the delivery of the Shares pursuant to vesting of the Award.

### Variation of Capital

2.2.26. If a variation in the issued ordinary share capital of the Company (excluding treasury shares and subsidiary holdings) (whether by way of a bonus or rights issue, capital reduction, subdivision, consolidation, distribution or otherwise) shall take place, then:

---

## LETTER TO SHAREHOLDERS

---

(a) the class and/or number of Shares which are the subject of an Award to the extent not yet vested; and/or

(b) the class and/or number of Shares over which future Awards may be granted under the PSP 2025,

shall be adjusted by the Committee to give each Participant the same proportion of the equity capital of the Company as that to which he was previously entitled and, in doing so, the Committee shall determine at its own discretion the manner in which such adjustment shall be made.

2.2.27. Unless the Committee considers an adjustment to be appropriate, the following events (whether singly or in combination) shall not normally be regarded as a circumstance requiring adjustment:

(a) the issue of securities as consideration for an acquisition or a private placement of securities;

(b) the issue of securities pursuant to any joint venture and/or debt conversion;

(c) the cancellation of issued Shares purchased or acquired by the Company by way of a market purchase of such Shares undertaken by the Company on Catalist of the SGX-ST during the period when a share purchase mandate granted by Shareholders (including any renewal of such mandate) is in force;

(d) the issue of Shares or other securities convertible into or with rights to acquire or subscribe for Shares to its employees pursuant to any share option scheme or share plan approved by Shareholders in a general meeting, including the PSP 2025; and

(e) any issue of Shares arising from the exercise of any warrants or the conversion of any convertible securities issued by the Company.

2.2.28. Notwithstanding the provisions of paragraph 2.2.26 of this Circular:

(a) the adjustment must be made in such a way that a Participant will not receive a benefit that a Shareholder does not receive, unless otherwise approved by Shareholders in accordance with the rules of the PSP 2025; and

(b) any adjustment (except in relation to a bonus issue) must be confirmed in writing by the Auditors (acting only as experts and not as arbitrators) to be in their opinion, fair and reasonable.

2.2.29. Upon any adjustment required to be made pursuant to paragraph 2.2.26, the Company shall notify the Participant (or his duly appointed personal representatives where applicable) in writing and deliver to him (or his duly appointed personal representatives where applicable) a statement setting forth the class and/or number of Shares thereafter to be issued or transferred on the vesting of an Award. Any adjustment shall take effect upon such written notification being given.

### Duration of the PSP 2025

2.2.30. The PSP 2025 shall continue to be in force at the discretion of the Committee, subject to a maximum period of ten (10) years commencing on the date in which the PSP 2025 is adopted by the Company in a general meeting, provided always that the PSP 2025 may continue beyond the above stipulated period with the approval of the Shareholders by ordinary resolution in a general meeting and of any relevant authorities which may then be required.

2.2.31. The PSP 2025 may be terminated at any time at the discretion of the Committee or by an ordinary resolution of the Company in a general meeting subject to all other relevant approvals which may be required and if the PSP 2025 is so terminated, no further Awards shall be offered by the Company thereunder.

---

## LETTER TO SHAREHOLDERS

---

2.2.32. Notwithstanding the expiry or termination of the PSP 2025, any Awards made to Participants prior to such expiry or termination will continue to remain valid.

### Administration of the PSP 2025

2.2.33. The PSP 2025 shall be administered by the Committee in its absolute discretion with such powers and duties as are conferred on it by the Board, provided that no member of the Committee shall participate in any deliberation or decision in respect of Awards granted or to be granted to him.

2.2.34. The Committee shall have the power, from time to time, to make and vary such rules (not being inconsistent with the PSP 2025) for the implementation and administration of the PSP 2025 as they think fit including, but not limited to:

- (a) imposing restrictions on the number of Awards that may be vested within each financial year; and
- (b) amending Performance Targets if by so doing, it would be a fairer measure of performance for a Participant or for the PSP 2025 as a whole.

2.2.35. Any decision of the Committee made pursuant to any provision of the PSP 2025 (other than a matter to be certified by the Auditors) shall be final and binding (including any decisions pertaining to the number of Shares to be vested) or to disputes as to the interpretation of the PSP 2025 or any rule, regulation, procedure thereunder or as to any rights under the PSP 2025.

### Modifications to the PSP 2025

2.2.36. Any or all the provisions of the PSP 2025 may be modified and/or altered at any time and from time to time by resolution of the Committee, provided that:

- (a) any modification or alteration which would be to the advantage of Participants under the PSP 2025 shall be subject to the prior approval of Shareholders in a general meeting; and
- (b) no modification or alteration shall be made without due compliance with the Catalist Rules and such other laws or regulations as may be applicable.

2.2.37. Notwithstanding anything to the contrary contained in paragraph 2.2.36 of this Circular, the Committee may at any time by resolution (and without other formality, save for the prior approval of the SGX-ST) amend or alter the PSP 2025 in any way to the extent necessary to cause the PSP 2025 to comply with any statutory provision or the provision or the regulations of any regulatory or other relevant authority or body (including the SGX-ST).

2.2.38. Written notice of any modification or alteration made in accordance with the rules of the PSP 2025 shall be given to all Participants.

## **2.3. Particulars of Awards granted under the PSP 2015**

2.3.1. As at the Latest Practicable Date, the PSP 2015 has expired. Since the adoption of the PSP 2015 on 20 July 2015 up to 19 July 2025, 61,000,000 Shares have been vested to 4 participants under the PSP 2015. There were no material conditions which the Shares were subject to and no Shares were granted to directors, or controlling shareholders or their associates of the Company.

2.3.2. There were no Awards granted under the PSP 2015 to Participants who are Directors, Controlling Shareholders or their associates.

## **2.4. Financial effects of the PSP 2025**

---

## LETTER TO SHAREHOLDERS

---

### Share Capital

- 2.4.1. The PSP 2025 will result in an increase in the number of issued Shares of the Company (excluding treasury shares and subsidiary holdings) to the extent that new Shares are allotted and issued upon the vesting of the Awards. This number of new Shares issued will in turn depend on, among others, the number of Shares comprised in the Awards granted, the number of Awards that are vested and the prevailing market price of the Shares on the SGX-ST.
- 2.4.2. If treasury shares are delivered to the Participants upon the vesting of Awards instead of issuing new Shares, there would be no impact on the number of issued Shares of the Company (excluding treasury shares and subsidiary holdings).

### NTA

- 2.4.3. If new Shares are issued to Participants pursuant to the vesting of the Awards, there will be no effect on NTA. However, there will be a decrease in the NTA per Share in view of the increase in the number of issued Shares. If existing Shares are purchased for delivery to Participants, the NTA of the Group and the Company would decrease by the cost of the Shares purchased.

### EPS

- 2.4.4. The PSP 2025 will result in a charge to earnings of the Company equivalent to the market value at which the existing Shares are purchased or the market value on the date at which Shares are granted under the Awards in the event that new Shares are issued. The EPS would decrease in view of the charge to earnings of the Company as well as the increase in the number of issued Shares.

### Potential Cost of Awards

- 2.4.5. The PSP is considered a share-based payment that falls under the scope of the Singapore Financial Reporting Standard (International) 2 (the “**SFRS(I) 2**”). Participants will receive Shares and the Awards would be accounted for as equity-settled share-based transactions, as described in the following paragraphs.
- 2.4.6. The fair value of employee services received in exchange for the grant of the Awards would be recognised as a charge to the consolidated income statement on the Grant Date. The total amount of charge to be recognised over the vesting period is determined by reference to the fair value of each Award granted on the date of grant and the number of Shares vested at the vesting date, with a corresponding credit to the reserve account. Before the end of the vesting period, at each accounting year end, the estimate of the number of Shares that are expected to vest by the vesting date should be accounted for, and the impact of the estimate shall be recognised in the consolidated income statement with a corresponding adjustment to the reserve account. After the vesting date, no adjustment to the charge to the consolidated income statement is made.
- 2.4.7. The amount charged to the income statement also depends on whether or not the Performance Target attached to an Award is measured by reference to the market price of the Shares. This is known as a market condition. If the Performance Target is a market condition, the probability of the Performance Target being met is taken into account in estimating the fair value of the Award granted on the date of grant, and no adjustments to the amounts charged to the income statement are made whether or not the market condition is met. However, if the Performance Target is not a market condition, the fair value per Share of the Awards granted at the date of grant is used to compute the amount charged to the income statement at each financial year end, based on an assessment at that date of whether the non-market conditions would be met to enable the Awards to vest.

## 2.5. **Additional Listing Application**

The Company shall apply to the SGX-ST through the Sponsor for the permission to deal in and for listing and quotation of the new Shares to be issued pursuant to the vesting of the Awards. An announcement on the receipt of the listing and quotation notice in relation the new Shares (including the conditions that may

---

## LETTER TO SHAREHOLDERS

---

be required to be fulfilled) will be made in due course when the listing and quotation notice from SGX-ST is obtained. The listing and quotation notice for the new Shares to be issued pursuant to the grant of Awards under the PSP 2025 shall not be taken as an indication of the merits of the Awards granted under the PSP 2025.

### **3. PROPOSED ADOPTION OF THE ESOS 2025**

#### **3.1. Rationale**

3.1.1. The ESOS 2025 is primarily a share incentive scheme. The ESOS 2025 will provide the Company with the means to use share options as part of a compensation scheme for attracting as well as promoting long-term staff retention, by providing an opportunity for employees who satisfy the eligibility criteria of the ESOS 2025, to participate in the equity of the Company, namely Group Employees (including Group Executive Directors) and Group Non-Executive Directors (including Independent Directors).

3.1.2. In addition to the above, the ESOS 2025 is also intended to help achieve the following objectives:

- (a) to attract potential employees with relevant skills to contribute to the Group and to create value for Shareholders;
- (b) to motivate the Participants to achieve higher efficiency and productivity, and improve the performance of the Group and its businesses;
- (c) to instill loyalty to, and a stronger identification by the Participants with the long-term prosperity of the Group;
- (d) to align the interests of Participants to those of Shareholders;
- (e) to retain key employees of the Group whose contributions are essential to the long-term prosperity of the Group; and
- (f) to give recognition to the contributions made by the Participants to the success of the Group.

3.1.3. The Company wishes to introduce the ESOS 2025 and the PSP 2025 as new compensation schemes to allow the Company flexibility in its continuing efforts to attract, reward and retain employees and directors. Such share-based incentive schemes will provide an opportunity for the directors and employees of the Group to participate in the equity of the Company so as to motivate them towards better performance through increased dedication and loyalty, and to give recognition to their contributions and services. The Company is of the view that the retention of talents as employees and directors of the Group is essential to the Group's long-term goal of achieving growth and profitability. The Company believes that share-based incentive schemes, such as the ESOS 2025 and the PSP 2025, will be more effective and rewarding than solely cash bonus payments in motivating employees and directors.

3.1.4. The introduction of both the ESOS 2025 and the PSP 2025 will allow the Company greater flexibility to tailor share-based incentive packages according to the Group's objectives. As different forms of share-based incentive schemes, the ESOS 2025 and the PSP 2025 will serve as complementary tools to attract, reward and retain employees and directors whose services and contributions are vital to the long-term prosperity of the Group.

3.1.5. The PSP 2025 contemplates the award of fully-paid Shares, free of charge, to Participants after certain prescribed performance conditions have been met. As compared with the grant of Options, the award of fully-paid Shares free of charge is intended as a more attractive incentive package for Participants. In addition, the PSP 2025 will allow the Company to prescribe forward-looking performance conditions to be achieved over a certain time period, which serves to motivate the Participants to higher levels of performance and align their performance conditions with the strategies and objectives for the Group in the short to medium term. This will ultimately create and enhance economic value for Shareholders.

- 3.1.6. The concurrent adoption of the ESOS 2025 will serve to increase the Company's flexibility in tailoring compensation packages for employees and directors. Under the ESOS 2025, the Participants can be granted an opportunity to participate in the equity of the Company through the grant of Options. Following the elapse of certain specified periods, the Options can be exercised to acquire Shares upon payment of the Exercise Price. Via the ESOS 2025, the Company will be able to recognise and reward employees and directors for their past contributions and services to the Group, as well as motivate Participants to continue striving for the success of the Group. In determining the number of Shares awarded to Participants under the PSP 2025, the Committee will seek to set incremental Performance Targets which are in line with the objectives of the Company and the Group and are designed to drive the improvement in performance of the Company and the Group as a whole, taking into account criteria such as the rank, scope of responsibilities, performance, years of service and potential for future development and contribution to the success of the Group. Depending on the Performance Target prescribed, the number of Shares awarded may be determined based on the extent of the performance conditions met. In this regard, the PSP 2025 envisages that such forward-looking performance conditions will motivate the Participants and align their performance targets with the strategies and objectives of the Group. Conversely, the grant of Options under the ESOS 2025 places a greater emphasis on rewarding the Participants for their service and performance, taking into account factors such as the designation, responsibilities, number of years of service, past performance, contributions to the Group and potential for future development of such Participant. In this regard, there are no specific performance conditions prescribed which have to be met before the Options may be exercised.
- 3.1.7. It is envisaged that the PSP 2025, complemented by the ESOS 2025, will allow the Group greater flexibility to offer and tailor competitive remuneration packages, which will serve to attract, reward and retain employees and directors effectively and motivate them to consistently achieve performance targets, which will ultimately enhance Shareholders' value in the Company.

### 3.2. **Summary Rules of the ESOS 2025**

### Maximum Entitlement

- 3.2.5. Subject to the rules of the ESOS 2025, the aggregate number of Shares in respect of which Options may be offered to a Grantee for subscription in accordance with the ESOS 2025 shall be determined at the discretion of the Committee, who shall take into account criteria such as, inter alia, rank, skills, experience, past performance, years of service, and potential for future development and contribution of the Participant.

### Limitations under the ESOS 2025

(15%) of the total number of issued Shares (excluding treasury shares and subsidiary holdings) of the Company on the day immediately preceding the Date of Grant of the Option. The Options which have already been granted shall not be invalidated in the event that a reduction of the Company's capital or a buyback of its Shares (if applicable) results in the Shares issuable and/or transferable under outstanding Options exceeding fifteen per cent. (15%) of the Company's issued Shares (excluding treasury shares and subsidiary holdings).
- 3.2.7. The aggregate number of Shares issued and issuable and/or transferred and transferable in respect of all Options granted pursuant to the ESOS 2025 available to all Controlling Shareholders and their associates shall not exceed twenty-five per cent. ### Grant of Offer

- 3.2.9. The Committee may, save as provided in the rules of the ESOS 2025, offer to grant Options to such Grantees as it may select in its absolute discretion at any time during the period when the ESOS 2025 is in force, except that no Option shall be granted during the period commencing:
- (a) two (2) weeks before the announcement of the Company's financial statements for each of the first three (3) quarters of its financial year and one (1) month before the announcement of the Company's full year financial statements (if the Company announces quarterly financial statements, whether required by the SGX-ST or otherwise); or
  - (b) one (1) month before the announcement of the Company's half year and full year financial statements (if the Company does not announce quarterly financial statements).
- 3.2.10. In the event that an announcement on any matter of an exceptional nature involving unpublished price sensitive information is made, offers to grant Options may only be made on or after the second Market Day on which such announcement is released.

3.2.13. The Grantee may accept or refuse the whole or part of the offer. If only part of the offer is accepted, the Grantee shall accept the offer in multiples of 100 Shares.

3.2.14. There is no minimum vesting period for the Options to be granted under the ESOS 2025.

### Exercise price

3.2.15. Subject to any adjustment pursuant to the rules of the ESOS 2025, the exercise price for each Share in respect of which an Option is exercisable shall be determined by the Committee, in its absolute discretion, on the Date of Grant, at:

- (a) a price equal to the Market Price; or
- (b) a price which is set at a discount to the Market Price, provided that:
  - (i) the maximum discount shall not exceed twenty per cent. (20%) of the Market Price (or such other percentage or amount as may be determined by the Committee and permitted by the SGX-ST); and
  - (ii) the Shareholders in a general meeting shall have authorised, in a separate resolution, the making of offers and grants of Options under the ESOS 2025 at a discount not exceeding the maximum discount as aforesaid.

3.2.16. In making any determination on whether to give a discount and the quantum of such discount, the Committee shall be at liberty to take into consideration such criteria as the Committee may, at its absolute discretion, deem appropriate, including but not limited to:

If a variation in the issued share capital of the Company (whether by way of a bonus or rights issue or reduction (including any reduction arising by reason of the Company purchasing or acquiring its issued Shares), subdivision, consolidation or distribution, or otherwise howsoever) should take place, then:

- (a) the exercise price for the Shares, class and/or number of Shares comprised in the Options to the extent unexercised and the rights attached thereto; and/or
- (b) the class and/or number of Shares in respect of which additional Options may be granted to Participants,

may be adjusted in such manner as the Committee may determine to be appropriate including retrospective adjustments where such variation occurs after the date of exercise of an Option but the Record Date relating to such variation precedes such date of exercise and, except in relation to a bonus issue, upon the written confirmation of the Auditors (acting only as experts and not as arbitrators), that in their opinion, such adjustment is fair and reasonable.

3.2.18. Notwithstanding the provisions of paragraph 3.2.17 above, no such adjustment shall be made:

- (a) if as a result, the Participant receives a benefit that a Shareholder does not received; and
- (b) unless the Committee, after considering all relevant circumstances, considers it equitable to do so.

3.2.19. Unless the Committee considers an adjustment to be appropriate, the following (whether singly or in combination) shall not be regarded as events requiring adjustment:

- (a) any issue of securities as consideration for an acquisition or a private placement of securities;
- (b) the issue of securities pursuant to any joint venture and/or debt conversion;
- (c) the cancellation of issued Shares purchased or acquired by the Company by way of a market purchase of such Shares undertaken by the Company on Catalist of the SGX-ST during the period when a share purchase mandate granted by Shareholders (including any renewal of such mandate) is in force;

giving the exercise notice, subject to such modification as the Committee may from time to time determine. Every exercise notice must be accompanied by a remittance for the full amount of the aggregate exercise price in respect of the Shares which have been exercised under the Option, the relevant CDP charges (if any) and any other documentation the Committee may require. All payments shall be made by cheque, cashier's order, bank draft or postal order made out in favour of the Company. An Option shall be deemed to be exercised upon the receipt by the Company of the said notice duly completed and the receipt by the Company of the full amount of the aggregate exercise price in respect of the Shares which have been exercised under the Option.

### 3.2.28. Subject to:

- (a) such consents or other actions required by any competent authority under any regulations or enactments for the time being in force as may be necessary (including any approvals required from the SGX-ST); and
- (b) compliance with the Rules, the Companies Act, the Catalist Rules and the Constitution of the Company,

the Company shall, as soon as practicable after the exercise of an Option by a Participant but in any event within ten (10) Market Days after the date of the exercise of the Option in accordance with the rules of the ESOS 2025, allot and issue or transfer the Shares in respect of which such Option has been exercised by the Participant and deliver the relevant share certificates to CDP for the crediting of the securities account of that Participant by ordinary post or such other mode of delivery as the Committee may deem fit.

3.2.29. The Company may deliver Shares pursuant to the exercise of an Option in the form of existing Shares held as treasury shares and/or an issue of new Shares. In determining whether to issue new Shares or to purchase existing Shares for delivery to Participants on exercise of an Option, the Company will take into account factors such as the number of Shares to be delivered, the prevailing market price of the Shares and the financial effects on the Company of either issuing new Shares and/or purchasing existing Shares.

### Modifications to the ESOS 2025

3.2.30. Any or all the provisions of the ESOS 2025 may be modified and/or altered at any time and from time to time by resolution of the Committee, except that:

- (a) any modification or alteration which shall alter adversely the rights attaching to any Option granted prior to such modification or alteration and which in the opinion of the Committee, materially alters the rights attaching to any Option granted prior to such modification or alteration may only be made with the consent in writing of such number of Participants who, if they exercised their Options in full, would thereby become entitled to Shares representing not less than three-quarters (3/4) of the total voting rights (or such other requirements as may be prescribed by the SGX-ST) of all the Shares which would fall to be allotted or transferred upon exercise in full of all outstanding Options;
- (b) any modification or alteration which would be to the advantage of Participants under the ESOS 2025 shall be subject to the prior approval of the Shareholders in a general meeting; and
- (c) no modification or alteration shall be made without the prior approval of the SGX-ST or (if required) any other stock exchange on which the Shares are quoted and listed, and such other regulatory authorities as may be necessary.

3.2.31. Notwithstanding anything to the contrary contained in paragraph 3.2.30 of this Circular, the Committee may at any time by resolution (and without other formality, save for the prior approval of the SGX-ST) amend or alter the ESOS 2025 in any way to the extent necessary to cause the ESOS 2025 to comply with any statutory provision or the provision or the regulations of any regulatory or other relevant authority or body (including the SGX-ST).

3.2.32. Written notice of any modification or alteration made shall be given to all Participants.

### Duration of the ESOS 2025

3.2.33. The ESOS 2025 shall continue to be in force at the discretion of the Committee, subject to a maximum period of ten (10) years, commencing on the date on which the ESOS 2025 is adopted by the Company in a general meeting. Subject to compliance with any applicable laws and regulations in Singapore, the ESOS 2025 may be continued beyond the above stipulated period with the approval of the Shareholders by ordinary resolution at a general meeting and of any relevant authorities which may then be required.

3.2.34. The ESOS 2025 may be terminated at any time by the Committee or by ordinary resolution of the Shareholders at a general meeting subject to all other relevant approvals which may be required and if the ESOS 2025 is so terminated, no further Options shall be offered by the Company hereunder.

3.2.35. The termination, discontinuance or expiry of the ESOS 2025 shall be without prejudice to the rights accrued to Options which have been granted and accepted, whether such Options have been exercised (whether fully or partially) or not.

### Administration of the ESOS 2025

3.2.36. The ESOS 2025 shall be administered by the Committee in its absolute discretion with such powers and duties as are conferred upon it by the Board.

3.2.37. The Committee shall have the power, from time to time, to make or vary such regulations (not being inconsistent with the ESOS 2025) as it may consider necessary, desirable or expedient for it to administer and give effect to the ESOS 2025.

3.2.38. Any decision of the Committee, made pursuant to any rule of the ESOS 2025 (other than a matter to be certified by the Auditors), shall be final and binding (including any decisions pertaining to disputes as to the interpretation of the rules of the ESOS 2025 or any rule, regulation or procedure thereunder or as to any rights under the ESOS 2025).

3.2.39. A Director who is a member of the Committee shall not be involved in its deliberation in respect of Options to be granted to him.

### **3.3. Particulars of Options granted under the ESOS 2015**

As at the Latest Practicable Date, the ESOS 2015 has expired, and no Options were granted under the ESOS 2015 prior to its expiry.

### **3.4. Financial effects of the ESOS 2025**

#### Potential Cost of Options

3.4.1. The grant of any Options under the ESOS 2025 is considered a share-based payment that falls under the scope of the SFRS(I) 2. Under SFRS(I) 2, the recognition of an expense in respect of Options granted under the ESOS 2025 is required, as described in the following paragraphs.

3.4.2. The expense will be based on the fair value of the Options at the grant date. The fair value is normally estimated by applying the option pricing model at the Grant Date of such Options and recognised as a charge to the Company's consolidated profit or loss statement.

3.4.3. Any Options granted under the ESOS 2025 would be measured at fair value at the Grant Date. In the event that such Options are granted with exercise prices below the market value at which the existing Shares are purchased or the market value of the Shares at the Grant Date, the fair value of such Options and

---

## LETTER TO SHAREHOLDERS

---

consequently the cost to be recognised by the Company will be higher. The cost to the Company of granting Options with an exercise price set at a discount to the prevailing market price of the Shares under the ESOS 2025 would be as follows:

- (a) the exercise of an Option at a discounted exercise price would translate into a reduction of the proceeds from the exercise of such Options, as compared to the proceeds that the Company would have received from such exercise had the exercise been made at the prevailing Market Price of the Shares. Such reduction of the exercise proceeds would represent the monetary cost to the Company of granting Options with a discounted exercise price;
- (b) as the monetary cost of granting Options with a discounted exercise price is borne by the Company, the earnings of the Company would effectively be reduced by an amount corresponding to the reduced interest earnings that the Company would have received from the difference in proceeds from an exercise price with no discount versus the discounted exercise price. Such reduction would, accordingly, result in the dilution of the Company's EPS; and
- (c) the effect of the issue of new Shares upon the exercise of Options on the Company's net asset value per Share is accretive if the exercise price is above the net asset value per Share, but dilutive otherwise. The dilutive effect is greater if the exercise price is at a discount to the prevailing Market Price. The costs as discussed above would only materialise upon the exercise of the Options.

### Share Capital

- 3.4.4. The grant of Options under the ESOS 2025 will result in an increase in the Company's number of issued Shares and the issued share capital of the Company when new Shares are issued to Participants upon the exercise of the Options. The number of new Shares issued will depend on, *inter alia*, the number of Shares comprised in the Options, the number of Options that are exercised and the exercise price of the Shares comprised in the Options. However, if existing Shares are purchased for delivery to Participants or treasury shares are transferred and delivered to Participants in lieu of issuing new Shares to Participants, the ESOS 2025 will have no impact on the Company's number of issued Shares and the Company's issued share capital.

### NTA

- 3.4.5. The issue of new Shares upon the exercise of the Options will increase the Company's consolidated NTA by the aggregate exercise price of the new Shares issued. On a per Share basis, the effect on the NTA of the Company will be accretive if the exercise price is above the Company's consolidated NTA per Share, but dilutive otherwise.

### EPS

- 3.4.6. The ESOS 2025 will have a dilutive impact (to the extent that new Shares are issued upon the exercise of Options granted under the ESOS 2025) on the consolidated EPS of the Company and the Group.

## 3.5. **Additional Listing Application**

The Company shall apply to the SGX-ST through the Sponsor for the permission to deal in and for listing and quotation of the new Shares to be issued pursuant to the grant of Options under the ESOS 2025. An announcement on the receipt of the listing and quotation notice in relation to the new Shares (including the conditions that may be required to be fulfilled) will be made in due course when the listing and quotation notice from the SGX-ST is obtained. The listing and quotation notice for the new Shares to be issued pursuant to the grant of Options under the ESOS 2025 shall not be taken as an indication of the merits of the Options granted under the ESOS 2025.

### 4. **PROPOSED PARTICIPATION AND PROPOSED PSP GRANT**

#### 4.1. **Rationale for the Proposed Participation**

- 4.1.1. LCW is the Executive Chairman and the Chief Executive Officer of the Company. As of the Latest Practicable Date, he is also a Controlling Shareholder with a deemed interest in 242,622,600 Shares, amounting to 15.27% of the Company's entire paid-up and issued share capital.
- 4.1.2. As the sole Executive Director and Chief Executive Officer of the Company, LCW has been primarily responsible for the day-to-day management of the operations and performance of the Group in accordance with the strategies, policies, budget and business plans that have been approved by the Board. LCW is also the Executive Chairman in which LCW has actively promoted a strong corporate governance culture, and has been responsible for, among others, encouraging constructive relations between the Executive Director and the Non-Executive and Independent Directors.
- 4.1.3. Under LCW's management, the Group has had improved performance in recent years, with the Group's revenue having increased approximately 48.76% from approximately RMB 285.5 million in FY2021 to RMB 424.7 million in FY2025, and gross profit having increased approximately 107.47% from approximately RMB 69.6 million in FY2021 to RMB 144.4 million in FY2025. The Group's business has also achieved various milestones under LCW's leadership, with recent examples of such achievements being:
- (a) the breakthrough in the production of sweet potato chips and fries snack products by the Group;
  - (b) the Group securing orders of over 180 tonnes of probiotic-infused fermented sweet potato feedstock for the breeding of Liancheng white ducks;
  - (c) the various strategic collaborations entered into with the Group, including the strategic collaborations with the People's Government of Lankao County and the Agricultural Genomics Institute at Shenzhen; and
  - (d) the completion of phase one of the Group's capacity expansion, being the installation of three automated production lines at its new high-tech manufacturing facility.
- 4.1.4. The Board (other than LCW) is of the view that extending participation in the PSP 2025 to LCW will enable the Company to remunerate LCW not just through cash bonuses, but also through an equity stake in the Company, thereby incentivising him to continue to contribute to the long-term growth, success and development of the Group.

#### 4.2. **Proposed PSP Grant**

- 4.2.1. The Proposed PSP Grant is premised on the terms set out below, subject to the approval by Shareholders of the Proposed Adoption of the PSP 2025 and the Proposed Participation:

## LETTER TO SHAREHOLDERS

- 5.1.2. The shareholding interests of the Investors (i) as at the Latest Practicable Date, (ii) after the exercise of 10% of the Share Options ("**Minimum Number of Share Options**"), (iii) after the exercise of the maximum number of the Share Options as set out in paragraph 5.1.1 above ("**Maximum Number of Share Options**"), and (iv) after the exercise of the Maximum Number of the Share Options and maximum number of Warrants held by the Investors (if any) ("**Maximum Number of Warrants**") are set out in Annex C hereto.
- 5.1.3. Each Investor has represented and warranted to the Company, among others, that:
- (a) Each Investor is subscribing for the Option Shares for his own benefit and as a principal (and not as an underwriter or a placement agent or a nominee or a trustee for any person) and has not entered into any arrangement or agreement to sell or otherwise dispose of any of the Option Shares to any person.
  - (b) Each Investor is independent of, and not acting in concert with (as defined in the Code or collaboration with anyone or in accordance with the instructions of anyone in relation to the subscription of the Option Shares and/or to obtain or consolidate control over the Company (including as contemplated in the Code).
  - (c) Save for LCW and JMK, each Investor has no existing relationships (including business relationships) with the Company, the Group, its Directors, its substantial Shareholders and is not a person to whom the Company is prohibited from issuing shares to, as provided under Rule 812(1) of the Catalist Rules.

No introducer fee or commission was paid or is payable by the Company in connection with the Proposed Grant of the Company / LCW Options and Proposed Grant of the Company / Other Investors Options.

### 5.2. Rationale

- 5.2.1. As disclosed in the Share Option Announcement, the Company has decided to proceed with the grant of the Share Options so that it is able to secure a commitment for future capital inflow at a fixed exercise price while protecting the existing Shareholders against immediate dilution. The Company was also able to secure a commitment for future capital inflow because the Investors took into account the potential upside. Although it is possible that the Exercise Price may be at a bigger discount to the volume weighted average price of the Shares at a later date, the Company notes that the converse may also be true and that the Exercise Price may be at a premium to the volume weighted average price of the Shares at a later date as the Company's Share price may increase or decrease for various reasons beyond the Company's control.
- 5.2.2. While the Company has already carried out the Rights Cum Warrants Issue in June 2024, the Company has utilised all net proceeds from the issuance of the Rights Shares in accordance with the stated purposes and there is no guarantee that the Warrants would be exercised as they are currently out of the money. Furthermore, the Company notes that the Investors have undertaken to exercise at least 10% of the Share Options within 14 days from the Grant Date and this provides the Company with immediate funds.
- 5.2.3. Furthermore, the Board (save for LCW who has abstained in deciding this matter due to him being an Investor) is of the view that the proposed grant of Share Options to LCW and JMK, being the key management of the Group will align the interest of them with the interest of the Shareholders by fostering an ownership culture within the Company.
- 5.2.4. The Board notes that the transactions contemplated in the Share Option Agreement would result in a dilution to the Shareholders. If such additional equity fundraising activities do not generate a commensurate increase in earnings, the Company's EPS may be diluted, and may result in a decline in the Share price. It may also limit the Company's ability to pay dividends. Notwithstanding the above, the Board is of the view that the entry into the Share Option Agreement and the transactions contemplated in the Share Option Agreement would be in the interest of the Company and its Shareholders for the reasons set out above.

### 5.5. Warrants

- (a) With the Group's business being primarily based in China, a majority of the Group's cash on hand is held by the Group's entities in China. Having considered that the channelling of funds to its Singapore entities will be subject to the completion of the requisite administrative procedures and require processing time, the Company is of the view that deploying part of the Net Proceeds as general capital would strengthen the cash position of the Company and its Singapore subsidiaries and facilitate the payment of the ongoing expenses of the Company and its subsidiaries in Singapore, including but not limited to payment of salary, rental, professional and listing fees, and such other administrative fees.
- (b) With the improved performance of the Group in its recent financial year, the Group is also contemplating expanding its operations, including expanding its operations in Hainan Province and other parts of China, as well as Singapore and overseas. With such investments being set aside for use to finance the Group's growth and expansion plan, the Group would have greater flexibility to capitalise on any new business opportunities in the aforesaid areas that would synergise with and/or enhance the Group's operations.

As such, notwithstanding the Group having sufficient working capital to meet its present requirements, the Group intends to procure the investments from the Investors pursuant to the terms of the Share Option Agreement.

- 5.7.3. Pending the deployment of the Net Proceeds for the abovementioned purposes, the Net Proceeds may be deposited with banks and/or financial institutions or used for investment in short-term money markets or debt instruments or used for other purposes on a short-term basis as the Directors may deem to be in the interest of the Company.
- 5.7.4. The Company will make periodic announcements on the utilisation of the Net Proceeds as and when the proceeds are materially disbursed and whether such use is in accordance with the stated use. The Company will subsequently provide a status report on the use of the Net Proceeds in its half year and full year financial results announcement(s) and in the annual report(s) of the Company. Where the proceeds have been used for general corporate and/or working capital purposes, the Company will provide a breakdown with specific details on how the proceeds have been applied in the Company's announcement(s) and its annual report(s). Where there is any material deviation from the use of the Net Proceeds described above, the Company will announce the reasons for such deviation.

### 5.8. Chapter 8 of the Catalist Rules

- 5.8.1. Section 161 of the Companies Act and Rule 805(1) of the Catalist Rules provide inter alia, that an issuer must obtain the prior approval of shareholders in general meeting for the issue of shares or convertible securities or the grant of options carrying rights to subscribe for shares of the issuer unless such issue of shares or convertible securities or such grant of options carrying rights to subscribe for shares of the issuer is made pursuant to a general mandate previously obtained from shareholders of the issuer at a general meeting as provided in Rule 806 of the Catalist Rules.
- 5.8.2. As the Company will not be relying on the general mandate previously obtained from Shareholders at the latest annual general meeting of the Company held on 30 July 2025 for the Proposed Grant of the Company / LCW Options and the Proposed Grant of the Company / Other Investors Options, the Company will be seeking specific Shareholders' approval for the Proposed Grant of the Company / LCW Options and the Proposed Grant of the Company / Other Investors Options pursuant to Rule 805(1) of the Catalist Rules.
- 5.8.3. In addition:
  - (a) Rule 804 of the Catalist Rules states that, except in the case of an issue made on a pro rata basis to Shareholders or under a scheme referred to in Part VIII of Chapter 8 of the Catalist Rules, no director of an issuer, or associate of the director, may participate directly or indirectly in an issue of equity securities or convertible securities unless shareholders in general meeting have approved the specific allotment. Such directors and their associates must abstain from exercising any voting rights on the matter.

## LETTER TO SHAREHOLDERS

---

- (b) Rule 812 of the Catalist Rules further provides, inter alia, that an issue must not be placed to an issuer's directors and substantial shareholders unless specific shareholder approval for such a placement has been obtained and the director or substantial shareholder and their respective associates abstain from voting on the resolution approving the placement.

5.8.4. Accordingly, the Company is also seeking Independent Shareholders' approval for the Proposed Grant of the Company / LCW Options pursuant to Rules 804 and 812 of the Catalist Rules.

5.8.5. There is no placement agent appointed for the proposed grant of Share Options and issuance of Option Shares. The proposed grant of Share Options and issuance of Option Shares are being undertaken pursuant to the private placement exemption under Section 272B of the Securities and Futures Act 2001 of Singapore. As such, no prospectus or offer information statement will be issued by the Company in connection with the proposed grant of Share Options and issuance of Option Shares. No introducer fee or commission was paid or is payable by the Company in connection with the proposed grant of Share Options and issuance of Option Shares.

### 5.9. Chapter 9 of the Catalist Rules

5.9.1. LCW is the Executive Chairman and the Chief Executive Officer of the Company. As at the Latest Practicable Date, LCW is also a Controlling Shareholder of the Company. LCW is therefore an "interested person", and the Company is the "entity at risk" within the meaning of Chapter 9 of the Catalist Rules. The Proposed Grant of the Company / LCW Options are therefore "interested person transactions" within the meaning of Chapter 9 of the Catalist Rules.

5.9.2. The terms of the Share Option Agreement, the Proposed Grant of the Company / LCW Options were arrived at after taking into consideration, inter alia, the prevailing market conditions and financial performance of the Group, the recent Share price, the rationale for the entry into the Share Option Agreement, and following arm's length negotiations between the Company and the Investors.

5.9.3. Pursuant to Rule 906 of the Catalist Rules, the approval of Shareholders is required for any interested person transaction of a value equal to, or more than:

- (a) 5% of the Group's latest audited NTA; or
- (b) 5% of the Group's latest audited NTA, when aggregated with other transactions entered into with the same interested person during the same financial year. However, a transaction which has been approved by shareholders, or is the subject of aggregation with another transaction that has been approved by shareholders, need not be included in any subsequent aggregation.

5.9.4. Based on the Group's latest audited consolidated financial statements for FY2025, the latest audited consolidated NTA of the Group was approximately RMB 504.6 million, equivalent to approximately S\$90.0 million on the basis of an exchange rate of S\$1 : RMB 5.61.

5.9.5. Because LCW has undertaken not to take up more Option Shares than the Share Option Limits, the value at risk for the Proposed Grant of the Company / LCW Options is S\$9,000,000, being the maximum investment amount that could be provided by LCW under the Share Option Agreement, and represents approximately 10.01% of the NTA of the Company. Accordingly, Shareholders' approval will be required for the Proposed Grant of the Company / LCW Options.

5.9.6. Pursuant to Rule 919 of the Catalist Rules, LCW and his associates shall abstain from voting on resolutions pertaining to the Proposed Grant of the Company / LCW Options. In addition, LCW and his associates shall decline appointments as proxies to vote on the resolutions pertaining to the Proposed Grant of the Company / LCW Options unless the Shareholders concerned have given specific instructions as to the manner in which his votes are to be cast.

## LETTER TO SHAREHOLDERS

---

- 5.9.7. Pursuant to Rule 921(4)(a) of the Catalist Rules, the circular to shareholders must include an opinion in a separate letter from an independent financial adviser (“IFA”) stating whether the transaction (i) is on normal commercial terms; and (ii) is prejudicial to the interests of the issuer and its minority shareholders. However, Rule 921(4)(b) of the Catalist Rules states that an opinion from an IFA is not required for the issue of shares pursuant to Part IV of Chapter 8 for cash – instead, an opinion from the audit committee in the form required in Rule 917(4)(a) must be disclosed.
- 5.9.8. In this connection, the Company’s Audit Committee, having reviewed the terms and conditions of the Share Option Agreement, the rationale, the Exercise Price and the financial effects of the Proposed Grant of the Company / LCW Options, is of the view that the Proposed Grant of the Company / LCW Options is on normal commercial terms, and not prejudicial to the interests of the Company and its minority Shareholders.
- 5.9.9. The Audit Committee further recommends any individual Shareholder who may require specific advice to consult his stockbroker, bank manager, solicitor, accountant or other professional adviser and strongly advises Shareholders to read this Circular in its entirety carefully.
- 5.9.10. Save as disclosed above and under paragraph 4.2 entitled “Proposed PSP Grant”, there are no other discloseable interested person transactions entered into by the Company for the financial year ending 31 March 2026. The LCW Award Shares would only be issued and allotted one (1) month after the EGM upon Independent Shareholders’ approval of Resolution 1, Resolution 3 and Resolution 4, and after the listing and quotation notice is received. Pursuant to Rule 915(2) of the Catalist Rules, the LCW Award is not required to comply with Rules 905, 906 and 907 of the Catalist Rules. Accordingly, the LCW Award is not the subject of aggregation with other interested person transactions entered into with LCW during the same financial year.
- 5.10. Financial Effects**
- 5.10.1. The *pro forma* financial effects shown below are premised on the maximum number of 889,000,000 Option Shares being issued under the Share Option Agreement.
- 5.10.2. The *pro forma* financial effects shown below are purely for illustration purposes only and do not necessarily reflect the actual future financial performance or financial position of the Group following the issue and allotment of the maximum number of Options Shares under the Share Option Agreement.
- 5.10.3. The *pro forma* financial effects of the allotment and issue of the maximum number of Option Shares have been computed based on the audited consolidated financial statements of the Group for FY2025, on the following bases and assumptions:
- (a) the financial effects on the share capital and the NTA per Share of the Group have been calculated on the assumption that the allotment and issue of the maximum number of Option Shares was completed on 31 March 2025;
  - (b) the financial effects on the EPS of the Group have been calculated on the assumption that the allotment and issue of the maximum number of Option Shares was completed on 1 April 2024;
  - (c) the estimated expenses of approximately S\$100,000 in connection with the allotment and issuance of the Option Shares are immaterial and therefore disregarded for the purpose of the illustration of the financial effects; and
  - (d) the prevailing exchange rate of S\$1.00 : RMB5.61 as at the date of the Share Option Agreement.

The PSP 2025 would also give Participants the opportunity to have a personal stake in the Company.

3.3 In addition to the above, the PSP 2025 is also intended to help achieve the following objectives:

- (a) to attract potential employees with relevant skills to contribute to the Group and to create value for Shareholders;

The Company considers these to be requisite qualities that will facilitate the Group’s realisation of its strategic and long-term business goals.

3.2 The ESOS 2025 is primarily a share incentive scheme. 3.3 In addition to the above, the ESOS 2025 is also intended to help achieve the following objectives:

- 8.5 In the event that a grant of an Option results in a contravention of any applicable law or regulation, such grant shall be null and void and be of no effect and the relevant Participant shall have no claim whatsoever against the Company.
- 8.6 Unless the Committee determines otherwise, an Option shall automatically lapse and become null, void and of no effect and shall not be capable of acceptance if:
