2. The Group has incorporated Hainan Zixin in order to implement the Company’s circular economy business model in the Hainan province and capitalise on the Hainan Free Trade Port’s tax incentives<sup>1</sup> and market access to support efficient, sustainable and long-term growth of the Group. The Group intends to leverage on the zero-tariff initiatives under the Hainan Free Trade Port for the export of products to Mainland China, which will be processed in Hainan with imported materials.
3. The incorporation of Hainan Zixin is funded through the net proceeds raised from the share option agreement entered into by the Company on 18 September 2025 and the subsequent exercises of share options on 20 November 2025 (pursuant to the notices of exercise received on 18 November 2025) and 27 November 2025 (pursuant to the notices of exercise received on 26 November 2025) respectively. <sup>1</sup> On 18 December 2025, the Hainan Free Trade Port (“**FTP**”) will officially implement a zero-tariff end “customs closure” system. This initiative, adopted at the 29<sup>th</sup> Meeting of the Standing Committee of the 13<sup>th</sup> National People’s Congress on 10 June 2021, aims to establish a highly efficient, open, and digitally managed trade environment, marking a significant milestone in Hainan’s transformation into a globally competitive free trade hub. Central to these measures are two zero-tariff initiatives, known as the “first line” and “second line” of the port. The first line exempts import duties for goods processed in Hainan that contain imported materials and achieve at least 30% added value upon export to the Chinese mainland. The second line permits eligible entities to import certain goods from overseas to the Hainan FTP without incurring import tariffs, value added tax, or consumption tax. Please refer to the Company’s press release dated 17 December 2025 for further details.

4. None of the directors or controlling shareholder(s) of the Company and/or their respective associates has any interest, direct or indirect, in the incorporation of Hainan Zixin (other than through their respective shareholdings in the Company, if any).

By Order of the Board
